13 (Jury not present)

14 THE COURT: Good morning. Please be seated.

15 All right. How much more do we have?

16 MR. BITKOWER: Approximately two and a half hours,
17 Your Honor.

18 THE COURT:

19 MR. GOTTLIEB: Before we begin, when we left off on
20 Friday there was the issue of Zakir Khan and immunity, and
21 over the weekend we were speaking with the Assistant and I
22 believe we've agreed to a provide proposed limiting
23 instruction that Your Honor could give you were of the mind to
24 do it this morning.

25 MR. LOONAM: Actually, I don't think we agreed on
timing.

THE COURT: Oh, come on. Let me see it.

MR. GOTTLIEB: Yes (handing up to the Court).

THE COURT: Seems sensible (perusing). I'll just tell

1 them now, and I'll tell them again during the instructions.

2 MR. LOONAM: Fine, Your Honor.

3 MR. GOTTLIEB: Thank you.

4 THE COURT: All right. Tell them we're ready,
5 Ilene, please.

6 What is this witness' name again?

7 MR. BITKOWER: Badat B-A-D-A-T.

8 (Whereupon, the jury entered the courtroom)

9 THE COURT: Hello, everybody. Nice to see you
10 again. Hope you had a nice weekend. Welcome back.

11 The transcript books should still be there. We were
12 watching and listening to the testimony of Mr. About date.

13 What page are we on?

14 MR. BITKOWER: Bottom of page eight.

15 THE COURT: I will give everybody a chance to get
16 there and then you can start it.

17 MR. GOTTLIEB: Your Honor, will you go through the --

18 THE COURT: Yes, I forgot.

19 Before that, there's something I wanted to tell you
20 about the testimony of Zakir Khan, remember him? He was
21 granted immunity in connection with his testimony. There are
22 a few questions about that at the outset of his testimony.
23 You can consider this grant of immunity when you asses Mr.
24 Khan's credibility but you can't speculate as to why he was
25 granted immunity. Just because a witness has been granted

Tape played - Badat

1070

1 immunity you should not conclude on that basis that the
2 witness has necessarily committed any crime.

3 All right. Back to the transcripts bottom of page?

4 MR. LOONAM: Page eight, Your Honor.

5 MR. BITKOWER: Page eight.

6 THE COURT: Go ahead Mr. Bitkower, you can start the
7 tape.

8 MR. BITKOWER: Line seven, Your Honor.

9 THE COURT: Do you happen to have a spare transcript
10 book?

11 MR. BITKOWER: Yes, Your Honor.

12 THE COURT: Thank you.

13 (Tape playing)

14 MR. BITKOWER: We have audio but no video.

15 We are in the middle of page nine.

16 THE COURT: Middle of page nine everyone.

17 MR. BITKOWER: At this point I am going to move
18 Government Exhibit 100 into evidence.

19 THE COURT: Any objection?

20 MR. GOTTLIEB: No.

21 THE COURT: Received.

22 (Government Exhibit 100 received and marked into
23 evidence).

24 MR. BITKOWER: I am going to move in 100-C clip from

7 THE COURT: You need a break for starting your
8 cross-examination?

9 MR. GOTTLIEB: It is very strange, I have to say.

10 My client had leaned over and said he very much has
11 to have a break and go to the rest room and rather than
12 waiting until 11:30, can we take a short break now?

13 THE COURT: Sure.

14 (In open court.)

15 THE COURT: All right. We'll take a short break

7 MR. GOTTLIEB: Your Honor, at this time I would ask
8 that the three photographs that were marked and shown to the

11 THE COURT: Any objection?

12 MR. BITKOWER: No, your Honor.

3 evidence is a stipulation.

4 THE COURT: All right.

5 MR. BITKOWER: Marked Government Exhibit 451.

6 THE COURT: Received.

7 (So marked.)

8 MR. BITKOWER: It reads: If called at trial, a
9 professor of Communications at Broward County College in
10 Pembroke Pines, Florida, would testify as follows:

11 Adnan Shukrijumah was a student in a Communications
12 class at Broward County College in approximately the summer of
13 1997. The Communications class was part of the college's
14 English as a Second Language Program.

15 Government Exhibit 100 is a video recording of a
16 presentation by Adnan Shukrijumah that was created as part of
17 the communications class.

18 The parties agree to the admissibility of this
19 stipulation, which has been marked for identification as
20 Government Exhibit 451.

21 THE COURT: You're offering 100 based on that?

22 MR. BITKOWER: 100 was offered during the playing of
23 the tape. With this one, I'll publish the name plate to go
24 with the chart.

25 MR. LOONAM: The government calls Bryant Neal Vinas.

1 THE COURT: Can I see counsel at sidebar.

2 (Sidebar.)

3 THE COURT: This witness has a case in front of
4 Judge Garaufis?

5 MR. BITKOWER: Yes.

6 THE COURT: I guess in anticipation of sentencing
7 him he wants to see him testify and there is not a loss of
8 space.

9 So, I have authorized the marshals to let him sit,
10 him and his clerks or somebody, sit inside the swinging the
11 doors in the front pew. Just so you know.

12 All right. I don't intend to identify them. Just
13 so there are no surprises.

14 MR. LOONAM: Has Judge Garaufis been notified?

15 THE COURT: I haven't notified him.

16 You can have your agent go out and call him.

23 A I did not like U.S. foreign policy. I did not like the
24 invasion and occupation of the Afghanistan, of Iraq and its
25 support of Israel against Palestinians.

Vinas - Loonam - direct

1083

1 Q Can you tell the jury what motivated you to travel to
2 Pakistan to fight jihad?

3 A Speeches by Anwar al-Awlaki and a book called Inside the
4 Jihad, by Omar Nasiri.

5 Q Tell us a little bit about that book, how did that book
6 motivate you, the Inside the Jihad book, by Omar Nasiri, how
7 did that book motivate you to fight jihad?

8 A It explained how a Belgium of Moroccan descent was able
9 to go to Pakistan and eventually find his way to cross into
10 Afghanistan and join al-Qaeda.

11 Q Now, why did you travel to Pakistan to fight jihad in
12 Afghanistan, why not travel directly to Afghanistan?

13 A That would have appeared very suspicious to the
14 authorities.

15 Q Prior to traveling to Pakistan, did you have any
16 intention or expectation that you would join with al-Qaeda?

17 A No.

18 Q What was your plan or expectation of what you would do
19 upon arriving in Pakistan?

22 hoping that that person would eventually have contacts with
23 militants to go into Afghanistan.

24 Q And where did you get the idea that that plan could work?

25 A Inside the Jihad, by Omar Nasiri.

Vinas - Loonam - direct

1084

1 Q Did you tell your friends and acquaintances the truth
2 about why you were traveling to Pakistan?

3 A Some.

4 Q The ones that you did not tell the truth to, what did you
5 tell them?

6 A That I was just going to study over there.

7 Q Let's discuss logistics for a little bit. What type of
8 airline ticket did you buy to travel to Pakistan?

9 A A round trip.

10 Q Did you have any intention of returning to the United
11 States when you left for Pakistan?

12 A No.

13 Q What did you think would happen when you got to Pakistan?

14 A That I would eventually go to a madressa to hook up with
15 someone who tell me how to get into an insurgent group.

16 Q And upon joining an insurgent group what was your
17 intention of what would happen to you?

18 A That I would die within a few weeks of fighting in
19 Afghanistan.

20 Q So why did you buy a round trip ticket?

21 A To appear less suspicious at Customs.

22 Q You testified that you flew into Lahore; correct?

23 A Yes.

24 Q Were there any particular cities that you wanted to avoid
25 flying into?

Vinas - Loonam - direct

1085

1 A Yes.

2 Q Which cities did you want to avoid flying into?

3 A Peshawar.

4 Q Why?

5 A That was close to the Afghanistan border.

7 Pakistan to fight jihad?

8 A Clothes, hygiene products, and my MP3 player.

9 Q Did you pack any special equipment such as camouflage
10 clothing, binoculars, night vision to fight jihad?

11 A No.

12 Q Why didn't you pack these items that could be useful in
13 fighting jihad when you were traveling?

14 A It would have looked very suspicious if somebody saw me
15 with those.

16 Q You testified that you arrived in Pakistan in
17 September 2007 but you did not join al-Qaeda until March 2008.
18 Correct?

19 A Yes.

20 Q Prior to joining with al-Qaeda, did you join a different
21 jihadist fighting group?

22 A Yes.

23 Q Did that group have a name?

24 A We called it the Shah Sahb Group.

25 Q Why was it called the Shah Sahb Group?

Vinas - Loonam - direct

1086

1 A A man called Shah Sahb was the leader of the group.

2 Q So Shah Sahb was a person?

3 A Yes.

4 Q About how long after you arrived in Pakistan were you
5 able to join a jihadist fighting group?

6 A About a week and a half.

7 Q Did you make arrangements to join Shah Sahb's fighting
8 group while you were in the United States or did you make
9 those arrangements while you were in Pakistan?

10 A When I was in Pakistan.

11 Q Can you summarize for the court how you managed to get
12 into a jihadist fighting group within a week and a half of
13 arriving in Pakistan?

14 A There was an Afghan family living on the same street that
15 I was staying at and the people that I was living with, I
16 asked them if they could speak with that family on my behalf
17 to see if they knew anybody who get me into an insurgent group
18 inside of Afghanistan.

19 Q Did that work out?

20 A Yes.

21 Q How did that work out?

22 A The family introduced me to their cousin and the cousin
23 introduced me to a friend of his named Ahmed, Ahmed introduced
24 me to Zazubaid introduced me to Shah Sahb.

25 Q Before you were introduced to this family, when you are

Vinas - Loonam - direct

1087

1 were in Lahore, did you have an a contact or a friend in
2 Lahore who you had known while you with in New York?

3 A Yes.

4 Q Did that friend or contact know that you were going to
5 Pakistan to fight jihad before you actually traveled to
6 Pakistan?

7 A No.

8 Q What languages did you speak at the time you joined Shah
9 Sahb's Group?

10 A English, decent Spanish.

11 Q What language or languages did most people in Shah Sahb's
12 Group speak?

13 A Pashtun, Urdu, Arabic and English.

14 Q How did you manage to communicate with the members in
15 Shah Sahb's Group who did not speak English?

16 A Those could speak English would translate on my behalf.

17 Q Where was Shah Sahb's Group based?

18 A In Peshawar and Mohmand Agency.

19 Q And do you know if those areas appear on Government
20 Exhibit 301 that is up on the screen?

21 A Yes.

22 Q Just point those out for the members of the jury?

23 A Yes.

24 Q Indicating Mohmand and Peshawar.

25 How close is that to the border with Afghanistan?

Vinas - Loonam - direct

1088

1 A Very close.

2 Q Now, who did Shah Sahb's Group fight against?

3 A U.S. coalition forces and Afghanistan army.

4 Q Did you take part in any operations as part of this
5 jihadist fighting group led by Shah Sahb?

6 A Yes.

7 Q How many operations did you take part in?

8 A One.

9 Q Can you please tell jury through what the plan was for
10 that operation.

11 A A group of us would cross the mountains to the
12 Afghanistan border. We would go to Kunar Province. One group
13 would splinter off and fight an Afghan base, another group
14 would go and set up a mortar attack for a U.S. base.

15 Q And what was the plan for you in conducting the
16 operation, which group were you going to be part of?

17 A The mortar team.

18 Q Please tell the court what actually happened on that
19 mission.

20 A The group that splintered off to attack the Afghan base
21 succeeded in attacking the base and came back. My group that
22 was to participate in the mortar attack, we went there but
23 there were too many planes flying overhead so we just ended up
24 stashing the ammunition and went back to Pakistan.

25 Q Why did you stash the ammunition because there were too

Vinas - Loonam - direct

1089

1 many planes flying overhead, what was the significance of
2 that?

3 A We all could have been wiped out.

4 Q Now, did you ever speculate with any of Shah Sahb's other
5 fighters about any potential casualties that may have been
6 caused by the group's attack that was able to attack the
7 Afghan base?

8 A Yes.

9 Q What was that discussion?

10 A Me and another fighter were in Peshawar and we went to an
11 Internet cafe and he checked a U.S. servicemen death list and
12 he pointed out two people that were killed on the date of the
13 same attack that he participated in.

14 Q And you were part of the larger group that that splinter
15 group broke off from, correct?

16 A Yes.

17 Q Now, did you have any ability to confirm whether or not
18 the two service members killed in that attack had been at that
19 Afghan base?

20 A No.

21 Q How long were you with this fighting group led by Shah
22 Sahb before you took part in this operation against the U.S.
23 military base in Afghanistan?

24 A A few days. Less than a week.

25 Q How long had you been in Pakistan before you were able to

Vinas - Loonam - direct

1090

1 take part in this operation against the U.S. base?

2 A About two weeks.

3 Q Were you given any training whatsoever before you were
4 allowed to participate in the operation to attack an American
5 base?

6 A No.

7 Q Did you conduct any further operation with Shah Sahb's
8 fighting group?

9 A No.

10 Q After you conducted the operation were you asked if you
11 would be willing to conduct a different type of mission?

12 A Yes.

13 Q What type of mission was that?

14 A A martyrdom operation. It's also called a suicide
15 bombing attack.

16 Q Did you agree to conduct a martyrdom operation or a
17 suicide bombing attack?

18 A Yes.

19 Q Why?

20 A I was having a difficult time the altitude, I was getting
21 very sick, so I felt that it would be easier to do a martyrdom
22 operation.

23 Q What did you believe the rewards were for a suicide
24 bomber?

3 A Taliban.

4 Q Did you accept that offer?

10 Q Was that -- did that ever come to fruition?

11 A No.

12 Q Did you conduct any operations during the time period of
13 the December 2007 to March 2008?

14 A No.

15 Q That takes to us March 2008. Can you tell the jury how
16 you were able to get into al-Qaeda?

17 A I met a Kuwaiti called Zubair and he took me with him and
18 I was with him for a couple of days and there was an old man

5 Q What is the first town?

6 A Mir Ali.

7 Q The second town?

8 A Miranshah.

9 Q Did al-Qaeda have a particular objective or goal?

10 A Yes.

11 Q What was that?

12 A To defeat the United States.

13 Q Who set that objective?

14 A Osama bin Laden.

19 A Yes.

20 Q While you were with al-Qaeda, were there any rules that
21 you had to follow?

22 A Yes.

23 Q What was a typical punishment if there was a rule that
24 was broken?

Vinas - Loonam - direct

1095

1 to do extra pushups and get yelled at.

2 Q During your time with al-Qaeda was it important for you
3 to know who the al-Qaeda leaders were and what their
4 responsibilities were?

5 A Yes.

6 Q Why was that important?

10 Q Who was the senior most person that you met in al-Qaeda?

11 A Hafid Sultan.

12 Q Did you meet Hafid Sultan face-to-face?

13 A Yes.

20 Q Who was above Hafid Sultan within al-Qaeda's
21 organizational structure?

22 A Osama bin Laden and Ayman al-Zawahiri.

23 Q If I could show the witness only what is marked for
24 identification as Government Exhibit 17.

25 THE COURT: Yes.

Vinas - Loonam - direct

1096

1 Q Can you see the person depicted in Government Exhibit 17?

2 A Yes.

3 Q Do you recognize that person?

4 A Yes.

5 Q Who do you recognize it to be?

6 A Hafid Sultan.

7 MR. LOONAM: Your Honor, the government moves
8 Exhibit 17 into evidence at this time.

9 MR. GOTTLIEB: No objection.

10 THE COURT: Received.

11 (So marked.)

12 Q Where did you meet happy /SUL tan?

13 A North Waziristan.

14 Q And why did you meet with Hafid Sultan?

15 A I needed permission to go to Peshawar. I wanted to wire
16 some money through Western Union to any girlfriend in Cuba.

17 Q Now, did you have an understanding as to why you needed
18 permission from someone so high ranking in al-Qaeda to receive
19 permission to travel to Peshawar?

20 A There was a man called Abdul Saleeh, also known as Abdul
21 Hafeez Abu Saleh al-Somali. He was interfering in my plans to
22 try to go back to Peshawar to send money.

23 Q And this person you referred to as Abdul Saleeh and Abdul

6 A It could end in I-Z or I-D-H.

7 Q Why are there multiple spellings for that name?

9 another alphabet it's always going to be a little off.

10 Q Have you heard that name pronounced in a different way?

11 A Yes.

12 Q How have you read it pronounced?

13 A And Abdul Hafeez.

14 Q And who have you heard pronounce the name Abdul Hafeez in

24 A He was the emir for the International Operations Program.

25 Q As emir for the International Operations Program, what

Vinas - Loonam - direct

1098

1 was Abdul Hafeez' primary responsibility?

2 MR. GOTTLIEB: Your Honor, objection.

3 THE COURT: Sustained. Lay a foundation.

4 Let's break for lunch. Don't discuss the case.

5 We'll resume at 2 o'clock. All rise.

6 (Jury leaves.)

7 MR. BITKOWER: Your Honor, before we break for
8 lunch, I just wanted to address one matter on the record. We
9 had talked last week about how to handle media requests for
10 exhibits.

11 There has been media requests, substantial media
12 interest in the deposition that was just played and there have
13 been requests for both the transcript than the video recording
14 of the deposition. We have made the transcript available.

15 It's our position and it's going to be our position
16 that the video recording should be treated differently; that
17 is, it is not a typical court exhibit in the nature of court
18 exhibits. It is more an exhibit of the witness testifying.

19 It would be highly unusual to provide video
20 recordings of a testifying witness to the media for multiple
21 reasons, but predominantly in this case witness security
22 reasons. We have been engaged in conversations with the
23 British police about this matter in particular and they have
24 informed us their fears that if the videotape of the actual
25 testimony were to get out, it would pose a security risk for

Vinas - Loonam - direct

1099

1 Mr. Vinas, who is currently living in the United Kingdom.

2 We are prepared to give your Honor something in
3 writing to address our position, if that would be helpful to
4 the court, but our position will be that under the traditional
5 First Amendment analysis this is not the type of exhibit which
6 is normally available; in fact, it would be highly unusual for
7 an exhibit of this type to be made available to the public and
8 should it be made available it will likely be on, for example,
9 YouTube within the hour.

10 Some of the video exhibits we made available last
11 week are already on YouTube within a day of being provided.
12 We are happy to provide your Honor something in writing to
13 address our concerns, if you would like it.

14 THE COURT: You offered it and I have received it,
15 which would make it highly unusual not to make it available.
16 You better brief it pretty quickly.

17 MR. BITKOWER: Your Honor.

18 THE COURT: Is foundation the basis of that
19 objection?

20 MR. GOTTLIEB: Yes. Your Honor.

21 THE COURT: See you at two.

22 (Luncheon recess.)
23

25

1 A F T E R N O O N S E S S I O N

2 THE COURT: Please be seated in the back.

3 (Jury is not present)

4 MR. LOONAM: Before we bring the witness out, we
5 should address an issue briefly, if Your Honor will allow us
6 to.

7 THE COURT: Yes.

8 MR. LOONAM: I know the defense has a continuing
9 relevance objection to the calls for Wais Afzali between
10 defendant and Wais Afzali and Najibullah Zazi and Wais
11 Afzali. After this witness this afternoon the government
12 intends on a calling a summary telephone witness to explain
13 the telephone records that have been entered into the
14 evidence. Between the defense and government we have reached
15 an agreement to attribute the phone numbers to specific people
16 which I think will aid the jury in understanding the records,
17 but the one continuing objection is to the telephone records
18 of Afzali. Those calls begin on the 11th and it shows a
19 pattern of calls.

20 THE COURT: Could you hold them back there for just
21 a minute, please, gentlemen (indicating Court Officer). We
22 will come and get you in a second.

23 MR. LOONAM: It shows a pattern of calls from Wais
24 Afzali Najibulla Zazi and then from the defendant to Wais
25 Afzali and back and forth until the defendant and Zazi

1 actually speak on the telephone.

2 THE COURT: This is on September 10th?

3 MR. LOONAM: September 11th and 12th, Your Honor and
4 the government has already introduced a photo of the defendant
5 with Wais Afzali and so, the government requests to put the
6 phone records in.

7 THE COURT: What is the nature of the objection.

8 MS. CARVLIN: Your Honor, it is relevant. The
9 government originally when they had offered the call between
10 Ahmad Wais Afzali and Mr. Najibullah Zazi had said that they
11 were proffering in part to demonstrate that was -- at that
12 point that Mr. Zazi knew that he had been exposed, that the
13 plot was up and therefore, he was leaving town. We argued at
14 the time that was not correct. He already purchased a plane
15 ticket. He already knew there was substantial evidence that
16 supported our position that he knew well before he spoke with
17 Ahmad Wais Afazi that the plot had been exposed. Therefore, I
18 think the government's relevance argument is completely
19 undermined by that.

20 Also, this creates some sort of aura of impropriety
21 on the sort of Medunjanin's part, that somehow the FBI is
22 showing photographs of him or law enforcement is showing
23 photographs of him to law enforcement informants and asking
24 his opinion about who these people are. What is the relevance
25 of that compared to that potential for prejudice? We renew

1 our application not to permit the government to introduce that
2 phone call and also we also object to including those phone
3 calls in the government's phone chart.

4 THE COURT: I'm a little uncertain as to precisely
5 what in evidence demonstrates -- does it include a reference
6 that Mr. Medunjanin's photograph was shown to Wais Afzali?

7 MR. LOONAM: No, Your Honor, the only way the
8 government could potentially elicit that statement with
9 respect to Medunjanin --

10 THE COURT: So the answer is no?

11 MR. LOONAM: The answer is, no, we don't intend to
12 elicit that testimony if the defense doesn't intend to get
13 into on cross-examination of Agent Azad when he testified to
14 the defendant that he made to the FBI during the course of
15 interviews. The relevance is with respect to knowledge that
16 law enforcement had uncovered the plot.

17 What the defense refers to, it is primarily
18 Najibullah Zazi's knowledge. Now, Najibullah Zazi had a
19 conversation -- a very brief indication on a cell phone coded
20 conversation that law enforcement was onto plot with the
21 defendant when he saw them at the Abu Bakr Mosque but -- and
22 there was testimony about that, but certainly the conversation
23 between Ahmad Wais Afzali and the defendant in person would
24 have confirmed that law enforcement was on to the plot for
25 him. Moreover, the government intends to introduce --

1 THE COURT: Stop. One of the calls -- by the way,
2 the photograph of them at the mosque, is that a surveillance
3 photo?

4 MR. LOONAM: It was, Your Honor.

5 THE COURT: One of these phone calls goes from
6 Afzali to Medunjanin.

7 MR. LOONAM: One of the phone calls is between Zazi
8 and Medunjanin referencing the defendant was just with Wais
9 Afzali and then the only thing we and continued to elicit with
10 respect to the contact between Afzali, and the defendant,
11 apart from what's in the recorded conversation I just
12 referenced are the contacts between them. Sort of -- that
13 appear in the toll records.

14 THE COURT: So you're not offering the photos,
15 you're not offering evidence of whose photos were shown to
16 Wais Afzali?

17 MR. LOONAM: We will discuss it with the defense.

18 THE COURT: I am asking what you are offering, do
19 you intend to offer it?

20 MR. LOONAM: If the defense in intends to cross
21 Agent Azad on those communication, then the government would
22 look to do so on direct and elicit it on direct. If the
23 defense wasn't doesn't want the government to get into those
24 conversations, there's no need to get into those
25 conversations.

1 THE COURT: What do you do intend to offer? Do you
2 intend to -- separate and apart from what is responsive to a
3 cross, do you intend to offer any testimony about whose photos
4 were shown to Wais Afzali?

5 MR. LOONAM: No. We do intend to offer the phone
6 call between Najibullau Zazi and the defendant that he was
7 just with Wais Afzali but we do not intend and to call the
8 detective, for example, who showed the photos or elicited that
9 testimony, Your Honor.

10 THE COURT: All right. Anything further?

11 MS. CARVLIN: Again, I don't think the government has
12 proffered how this is relevant, the contact between Ahmad Wais
13 Afzali and Najibullah Zazi. The previous proffer was that it
14 demonstrated the unravelling the plot. That is not correct.

15 THE COURT: No, that is relevant. You are right in
16 that it is not the single linchpin to the frustration of the
17 plot, and we since heard evidence about him being stopped at
18 GW Bridge and all the other indicia that they were on the
19 radar screen, but of course, it is relevant.

20 This is a plot to bomb the subways that was going to
21 happen right during that timeframe, and especially given the
22 statement that they don't intend to elicit -- I think take it
23 from your application a minute ago that you think some
24 prejudice in here in the suggestion that Adis Medunjanin was a
25 suspect on September 11th.

1 MS. CRAVLIN: Yes.

2 THE COURT: Except to the extent that that might
3 become evident from the fact that the phone call between
4 Afzali and Najibullah Zazi -- I guess we should stop calling
5 him Najibulla, it's Najibulla.

6 MR. LOONAM: Najib.

7 THE COURT: Najibulla. Except to the extent that
8 that phone call that references your client and that I don't
9 see any objection -- legitimate objection to that, suggests
10 that he's on the government's radar screen, I don't really see
11 that specter of prejudice in what the government tells me it
12 is going to elicit.

13 Am I missing something?

14 MS. CARVLIN: Again, Your Honor, I don't see the
15 relevance.

16 THE COURT: I see the relevance. To that extent,
17 your objection is overruled, but the prejudice also makes, you
18 also make a 403 application and you claim some prejudice but I
19 don't really see how the evidence that Mr. Loonam says he's
20 going to offer raises that specter of prejudice.

21 MS. CARVLIN: I understand, Your Honor.

22 THE COURT: All right. So your objection is
23 overruled.

24 MR. BITKOWER: One additional matter, Your Honor. We
25 have inserted into jurors' binders, as well as the Court's and

Vinas - direct/ Loonam

1106

1 everyone else's binders, two additional transcripts, one set
2 for the call Mr. Loonam just referenced. We expect that will
3 come into evidence later this afternoon. The third set for
4 the 911 call, which we don't expect to come into evidence
5 until close to the end of trial, and when we reach the next
6 call I am sure Your Honor will instruct the jury. We will
7 stick with the first.

8 THE COURT: I will tell the jurors.

9 All right. Bring in the jury, please.

10 (The following took place in the presence of the
11 jury).

12 THE COURT: Please be seated, everyone.

13 MR. LOONAM: May I inquire, Your Honor?

14 THE COURT: Yes you may.

15 B R Y A N T V I N A S having been previously duly
16 sworn/affirmed, resumed the stand and testified further as
17 follows:

18 DIRECT EXAMINATION CONTINUED

21 was the Amir of the international operations program?

22 Can you please explain to the Court what an amir is.

24 Q And does Al-Qaeda have multiple amirs?

1 MR. GOTTLIEB: Your Honor, this witness is hardly
2 an expert in Al-Qaeda and Al-Qaeda operations. Up to this
3 point I am not certain why I would object. I know you have to
4 give certain leeway to give some context for his testimony but
5 any questions in which they want him to present himself as an
6 expert on Al-Qaeda, the operations and their structure I
7 object.

8 THE COURT: Okay. Sounds like a foundation.

9 MR. GOTTLIEB: Yes.

10 MR. LOONAM: Concerning the foundation, Your Honor, I
11 do believe that I did already elicit that this witness was a
12 part of Al-Qaeda and knew Al-Qaeda had an organizational
13 structure and which certain members were higher than others,
14 there were rules that the persons associated with the Al-Qaeda
15 had to follow and there were punishments if they broke the
16 rules, what the typical punishments were and so with respect
17 to the structure of Al-Qaeda and this defendant's position
18 with Al-Qaeda. I also elicited whether it was important for
19 him to know the particular positions of the Al-Qaeda leaders,
20 he would then need to know who go to you if he needed to get
21 something or asking for something which was demonstrated by
22 his appeal to Hafid Sultan supreme leader in Al-Qaeda so
23 simply asked whether Al-Qaeda had multiple amirs is one of the
24 foundational elements that I will need to establish later on.

25 THE COURT: He might have learned it from you

Vinas - direct/ Loonam

1109

1 yesterday, which would make it inadmissible.

2 MR. LOONAM: Understood.

3 THE COURT: So you have to establish how he learned
4 it, and make it admissible testimony. If he learned it from
5 someone else and it is not a coconspirator's statement with
6 respect to defendant, I am not prepared to rule right now that
7 anything said by anybody who want to be witnesses allocates to
8 Al-Qaeda is a coconspirator statement. You have a foundational
9 problem. Will loop.

10 MR. LOONAM: Understood. I will lay more
11 foundation.

13 Q Is that in Pakistan?

14 A Yes.

15 Q How big was the mud house?

16 A Big enough to accommodate about 20 people.

17 Q And when you say, "mud house," can you describe for the
18 members of the jury what you mean?

19 A The walls are made out of mud, there's no carpet, there's
20 no wood floors. Just mud. It is dry mud. The roof is made out
21 of tree branches.

22 Q Were there any monkey bars at this training facility?

23 A No.

24 Q Was there an obstacle course at this training facility?

25 A No.

Vinas - direct/ Loonam

1114

1 Q Have you ever heard in videos or anywhere else that
2 Al-Qaeda had training facilities with monkey bars and obstacle
3 courses?

4 A Yes.

5 Q Now, based on conversations you had with members of
6 Al-Qaeda in Wizerstan, did you have an understanding what
7 happened to those facilities?

8 A Those facilities were in Afghanistan when Al-Qaeda was a
9 guest of the Taliban government. Once they moved into
10 Pakistan all those basis -- all those training camps were left
11 behind in Afghanistan.

12 Q Did you ever see a training facility with obstacle about
13 courses and monkey bars during your time in Pakistan?

14 A No.

15 Q How many people were in the basic class with you?

16 A About 20.

17 Q Was there an instructor?

18 A Yes.

19 Q And can you describe how the instructor would, you know,
20 give the class to the members of the jury?

21 A We would have a teacher who would have a dry erase board
22 and he would either write on the dry erase board or have a
23 volunteer write on the dry erase board certain subjects that
24 we had to learn, and the rest of the students had no books, we
25 would take down the notes on the different aspects of the

Vinas - direct/ Loonam

1115

1 subject.

2 Q And did you take notes?

3 A Yes.

4 Q And what language were the classes offered in?

5 A Arabic.

6 Q Did you speak Arabic at the time?

7 A No.

8 Q And how did you understand the class?

9 A I had someone who could translate into English next to me
10 during the class.

11 Q And can you generally describe the training you received
12 during the two-week basic course?

13 A We went over basic Soviet weapons, AK 47, the PK machine
14 gun, RPG 7, the different Soviet pistols, grenades. We went
15 over different types of the explosive material. Little bit on
16 the electric circuiting, GPS. Isicom radios, little bit on
17 navigation with a compass.

18 Q Can you describe the training you received in the AK47?

19 A We learned the history of the rifle, we learned how to
20 field strip it, learning how to clean it correctly, how to
21 reassemble it correctly. Different types of rounds that you
22 can use, different firing positions to shoot weapon.

23 Q What were the firing positions that you learned for AK47?

24 A Standing, kneeling, and lying down.

25 Q What about the PK machine gun, what did you learn with

Vinas - direct/ Loonam

1116

1 respect to the PK machine gun?

2 A Same thing as AK47, how -- we learned the history of it,
3 how to field strip it, how to clean it correctly, how to
4 reassemble it, the different firing positions.

5 Q And how about the RPG?

6 A Same thing except you don't field strip it; you just
7 learn how to clean it correctly.

8 Q Now, did you get to fire those weapons?

9 A Yes.

10 Q And when did you get to fire those weapons?

11 A On the last day.

12 Q And how many rounds did you get to fire of AK47?

13 A About 30.

14 Q How many rounds are in a magazine for an AK47?

15 A Thirty rounds on standard clip.

16 Q So you got to fire one magazine; is that correct?

17 A Yes.

18 Q How many rounds did you get to fire of the PK machine
19 gun?

20 A About 20.

21 Q Did you get to fire any additional weapons?

22 A Yes.

23 Q What other weapons did you get to fire?

24 A Sakharov pistol, that's a Soviet pistol, and I threw a
25 grenade.

Vinas - direct/ Loonam

1117

1 Q How many rounds did you get to fire from the pistol?

2 A Six.

3 Q How many rounds are in a clip for the pistol that you
4 fired?

5 A Eight.

6 Q And you say you got to throw a grenade?

7 A Yes.

8 Q So you got to fire the AK47, PK machine gun, a pistol and
9 you threw a grenade. Are there any additional weapons that
10 got to fire during your training at -- during the basic
11 course?

12 A That's it.

13 Q Did any of the other students get to fire any additional
14 weapons?

15 A Yes.

16 Q What additional weapons did other students get to fire?

17 A Some were able to shoot RPG 7s and Kennedy 2 Rocket.

18 Q Now, during this basic instruction class was there any
19 discussion of suicide bombing vests?

20 A Yes.

21 Q All right. What was the discussion of suicide bombing
22 vests during the course of this basic instruction?

23 A They went over a little bit on the cortex of explosives
24 that you could use to wire the suicide bombing vests.

25 They touched a little bit on the electronic

Vinas - direct/ Loonam

1118

1 circuiting on.

2 Q How long was that discussion?

3 A Less than a day.

4 Q And was there any discussion of suicide bombing
5 operations during the basic instruction class?

6 A Yes.

7 Q Please tell us about that.

8 A One day Sheikh Nasrullah came to visit the class. He
9 gave a small talk to the whole class where he said if you want
10 to volunteer for a martyrdom operation, that you could sign up
11 for it, but you must have patience because that's the number
12 one thing that they're going look at when they select somebody
13 for a martyrdom operation. He explained that the martyrdom
14 operation in East Africa took about nine months to pull off.

15 Q All right. When Sheikh Natula discussed the martyrdom
16 operations or suicide bombing operations in East Africa, what
17 was he discussing?

18 A Embassy bombings in Kenya and Tanzania.

19 Q Can you describe for the Court a typical day during the
20 basic training class that you attended with Al-Qaeda?

21 A You would wake up for morning prayer. Then after morning
22 prayer you would do Koran recitation in groups. After that
23 there would be morning exercise. After morning exercise it
24 would be breakfast. After breakfast you would have first
25 lesson of the day. That would go all the way up until the

Vinas - direct/ Loonam

1119

1 early afternoon prayer. After that you would be able to
2 continue classes up in the late afternoon prayer, and then
3 after that you would have some free time up until the sunset
4 prayer. After that you would eat dinner and after dinner
5 there would be some down time and then security watch duty
6 rotations would start, and then you would start all over the
7 next day.

8 Q And what time would you wake up for mornings prayer?

9 A Just before sunrise.

10 Q And who would prepare breakfast and dinner?

11 A We would rotate. Different kitchen duty groups.

12 Q Who would clean up the dishes from the breakfast, and the
13 dinner duty?

14 A The group would do kitchen duty.

15 Q All right. During free time were students allowed to take
16 naps?

17 A You could.

18 Q Next class you told us that you took was the explosive
19 theory class, correct?

20 A Yes.

21 Q And where did that training take place?

22 A Miser North Waziristan.

23 Q What type of building did that type of training take
24 place in?

25 A In a big mud house.

Vinas - direct/ Loonam

1120

1 Q And how long was this explosive theory class?

2 A About two weeks long.

3 Q Was a class also taught in Arabic?

4 A Yes.

5 Q And how did you understand the instruction of that class?

6 A I had someone who could translate into English for me.

7 Q And could you briefly describe for the Court the training
8 you received in the basic explosives class?

9 A We went into more detail on different types of explosive
10 materials. We went over different types of fuses, a little bit
11 and electronic circuiting, how to assemble some of the
12 components for suicide bombing vests. That's it.

13 Q What different types of explosives did you learn about
14 during your explosives theory class?

15 A Gun powder, TNT 3, C 3, C 4., cortex, centex. We touched
16 on hydrogen peroxide bombs, RDX. We didn't have those
17 available to actually see it, but it was mentioned.

18 Q What was mentioned about hydrogen peroxide bombs?

19 A Teacher explained if you wanted to learn more about it
20 there were other classes available that you could take to
21 learn about it.

22 Q And you testified that there was some instruction on
23 suicide vests during the course of this class, correct?

24 A Yes.

25 Q And now could you please describe that for the Court.

Vinas - direct/ Loonam

1121

1 A There was a hands on exercise where the teacher picked
2 out volunteers to -- what they would do is they had three
3 rectangular trays that you would line with plastic into and
4 two of them you would line with plastic explosive and then the
5 last tray you would line with ball bearings and cover it with
6 glue, and when the glue hardened you can take all those
7 components and make a sandwich out of them and then you can
8 insert that sandwich into the -- into a section of the suicide
9 bombing vest.

10 Q And what did you do during the course of this practical
11 exercise?

12 A I was chosen to line one of the trays with plastic
13 explosives.

14 Q And what is the purpose of the ball bearings disk that
15 you described?

16 A It would be shrapnel.

17 Q Now, did Al-Qaeda -- this class, did you actually explode
18 anything during the course of this class?

19 A No. Well, excuse me. Yes. We exploded one blasting cap
20 and that's it.

21 Q And how large was the explosion from the blasting cap?

22 A It is about the same size of a pen cap. It didn't even
23 -- it barely lifted some of the dirt up on the ground.

24 Q And what was the purpose of the blasting cap?

25 A That is the first part of the bottom that explodes. It

Vinas - direct/ Loonam

1122

1 triggers the main plastic explosive that you try to use.

3 A In Kunar Province or Helmet Province.

4 Q Let's focus on Helmet Province. What type of fighting
5 did you expect to do in Helmet Province?

21 Q And who do you recognize that to be?

22 A Abu YaYa.

23 MR. LOONAM: I move 18 into evidence.

24 THE COURT: Any objection?

3 MR. GOTTLIEB: Your Honor, the objection is based on
4 relevance. I do not know what connection this fellow has;
5 what the picture has. You'll see there is writing on the
6 photograph.

7 Objection. Relevance.

8 THE COURT: Yes.

9 MR. LOONAM: This is who he is under the command of.
10 He conducted attacks under this individual. The videos that
11 we already have in evidence feature this individual as a
12 member of al-Qaeda. It corroborates both that the videos were
13 al-Qaeda videos as well as this witness was in al-Qaeda.

14 THE COURT: Does it link up to the defendant and his
15 coconspirators' crime in any way?

16 MR. LOONAM: Yes.

17 What it will link up is while this witness is in
18 Lwara, he has conversations with members of Abdul Hafeez'
19 group who are directly under his supervision, the external
20 operations group with al-Qaeda about conducting attacks
21 outside of the United States, including attacks that have
22 already been mentioned here, such as potential attacks on
23 Wal-Mart and the New York City Transit System.

24 THE COURT: Let's get to that. What does this
25 piece have to do with it?

Vinas - direct - Loonam

1130

1 MR. LOONAM: It's just explaining the structure of
2 al-Qaeda, who he was under the command of.

3 And it, again, this individual was featured in the
4 video that we already have introduced into evidence. So it is
5 to explain who this person is.

1 (Open court.)

2 BY MR. LOONAM:

3 Q Did you conduct any operations while you were in Lwara?

4 A Yes.

5 Q What type of operation did al-Qaeda conduct from Lwara?

6 A Projectile weapons.

7 Q And did you take part in a projectile weapons operation?

8 A Yes.

9 Q And can you describe the operation that you took part in?

10 A Yes. I was part of a group that was to launch Hawk 20
11 rockets from Pakistan across into Afghanistan at a U.S. base.

12 The first time that I went, our spotter was not
13 answering his radio so we couldn't launch any that day. But
14 we went back a second day and we were able to launch four
15 rockets.

16 Q When you say your spotter wasn't available, can you
17 explain to the court the significance of a spotter.

18 A Our group was targeting a nonvisible target so you needed
19 someone close by to tell you whether you hit the target and if
20 you didn't how to readjust for the next launch.

21 Q And how long was your training in projectile weapons?

22 A About a week and a half.

23 Q And when you conducted -- did you eventually learn
24 whether your attack had been successful in attacking a U.S.
25 base?

Vinas - direct - Loonam

1132

1 A All four rockets missed.

2 Q You previously mentioned that you met Abdul Hafeez,
3 correct?

4 A Yes.

5 Q Did you meet him face-to-face?

6 A Yes.

7 Q Where did that meeting occur?

8 A In Dagon, North Waziristan.

9 Q And did you speak to Abdul Hafeez and did he speak to
10 you?

11 A Yes.

12 Q Which language did you use to communicate with Abdul
13 Hafeez?

14 A English.

15 Q Can you describe the interactions you had with him?

16 A First time I just shook his hands and greeted him and I
17 kept ongoing. A little while later he called me over to him
18 and he asked me what was my reason for going to Peshawar.

19 I explained to him that I had need to send money to
20 Cuba through Western Union. He told me that it was better off
21 having somebody go in my place and send the money.

22 At first I agreed but then later I changed my mind.
23 Then later on, when dinner was being served, he was next to me
24 when I was trying to eat the dinner. I was just dipping the
25 bread into the gravy and I wasn't eating the meat chunks and

Vinas - direct - Loonam

1133

1 he was trying to convince me to eat the food and I didn't want
2 to because I was recovering from a stomach problem.

3 Q You testified that Abdul Hafeez is the emir of the
4 International Operations Program. Did you know anyone who was
5 directly under Abdul Hafeez' supervision?

6 A Yes.

7 Q Who?

8 A Abdul-Salaam Maghribi, Abu al-Abidayn and Abu Hafs
9 Filisteeni

10 Q How did you know that they were under Abdul Hafeez'
11 supervision?

12 A They told me so.

13 Q And based on your conversations with these individuals,
14 did you learn whether or not Abdul Hafeez had his own training
15 courses?

16 A Yes.

17 Q Did he?

18 A Yes.

19 Q And did you ever meet any of the trainers who worked with
20 Abdul Hafeez' training program?

21 A No.

22 Q Were you aware of all of the training courses that Abdul
23 Hafeez' offered?

24 A No.

25 MR. GOTTlieb: Objection.

Vinas - direct - Loonam

1134

1 THE COURT: Excuse me?

2 MR. GOTTLIEB: No objection.

3 THE COURT: That's what I thought I heard.

4 Q Now, did you yourself ever come up with any ideas for
5 attacks outside of the Afghanistan-Pakistan region?

6 A Yes.

7 Q What were some of the ideas that you came up with?

8 A I wanted to tell these brothers that there was a good
9 target in attacking the Long Island Railroad.

10 The first plan that I talked to seriously with
11 somebody was having somebody drop off a suitcase full of
12 explosives inside the Long Island Railroad. They would leave
13 at a certain train station and leave the suitcase on the train
14 and while the train kept on going, eventually it would
15 explode.

16 Q In addition to the Long Island Railroad, did you discuss
17 any other potential targets with members of al-Qaeda who were
18 directly under Abdul Hafeez' supervision?

19 A Yes.

20 Q What other targets did you discuss?

21 A I mentioned to attack Wal-Mart would be a good idea.

22 Q Now, did you ever discuss these ideas directly with Abdul
23 Hafeez?

24 A No.

25 Q Why not?

Vinas - direct - Loonam

1135

1 A I did not like him.

2 Q Why didn't you like him?

3 A He interfered with my plans to go take care of a personal
4 matter in Peshawar.

5 Q Did you ever discuss the idea to attack Wal-Mart with
6 people who were under Abdul Hafeez' supervision?

7 A Yes.

8 Q Who?

9 A Abdul Salaam.

10 Q What were the idea to attack Wal-Mart?

11 A You could do a bombing inside of Wal-Mart. You could
12 hide a bomb inside a product that you would return, preferably
13 a TV, and obviously you would get out of the store and then
14 eventually the bomb would explode.

15 Q And why did you think that attacking Wal-Mart was a good
16 idea?

17 A It would cause a very big economic hit. Wal-Mart is the
18 largest retail store in the country.

19 Q Let's focus on the Long Island Railroad plot that you
20 described. Did you ever discuss this idea with anyone
21 affiliated with Abdul Hafeez?

22 A Yes.

23 Q Who did you discuss it with?

24 A Abdul Salaam.

25 Q When do you think is the first time that you discussed

Vinas - direct - Loonam

1136

1 attacking the Long Island Railroad with Abdul Salaam?

2 A Summer of '08.

3 Q Can you ever have more detailed discussions about a
4 potential attack on the Long Island Railroad?

5 A Yes.

6 Q And did Abdul Salaam participate in these discussions?

7 A Yes.

8 Q Who else participated in these discussions?

9 A Younis al-Mauritani.

10 Q Who is Younis al-Mauritani?

11 A He was first offered the position of the International
12 Operations Program before Abdul Hafeez.

13 Q And how did you learn that?

14 A Abdul Salaam told me.

15 Q Where did the discussion take place about the more
16 detailed planning for the Long Island Railroad plot?

17 A In Lwara.

18 Q Can you tell the jury about the discussions you had about
19 this plot.

20 MR. GOTTlieb: Your Honor, objection.

21 THE COURT: Come up.

22 (Sidebar.)

23 (Continued next page.)

24 THE COURT: Yes.

25 MR. GOTTlieb: Objection is based on relevance.

Vinas - direct - Loonam

1137

1 THE COURT: Let me hear the connection.

2 MR. LOONAM: First, he pleaded guilty to this. I
3 assume it will be part of cross-examination.

4 Secondly, he's discussing the details and ideas for
5 how to attack New York mass transit, which includes the types
6 of operatives he would use; it includes how the bombing could
7 be carried out.

8 It's highly relevant that this information is going
9 to one of the al-Qaeda fighters that is directly under Abdul
10 Hafeez' supervision as part of the External Operations
11 Program.

12 This is the very program that this defendant was
13 part of and it was his emir, Abdul Hafeez, who sent him on
14 this mission to bomb the New York railroad. The timing for
15 these discussions is also highly relevant.

16 This is in 2008, in the summer/early fall of 2008,
17 exactly when this defendant was in Waziristan region. So it's
18 highly probative of what their knowledge was of attacking the
19 United States during this time period.

20 MR. GOTTlieb: Well, your Honor, first, we heard it
21 was this witness' idea to go to al-Qaeda. Apparently this
22 came from Bryant Vinas, this creative plan to bomb the Long
23 Island Railroad.

24 So now we're going the other way. It's not like
25 it's generated, and the chronology is important for the jury

Vinas - direct - Loonam

1138

1 to understand in connection with the issues in this case.

2 This guy comes up with this idea of bombing the Long Island
3 Railroad. There is no connection to Adis Medunjanin. This is
4 just his own warped sense of how he can reek this destruction.
5 There is no relevance to the issues in this case.

6 THE COURT: Is this the same Hafeez about whom the
7 two accomplices testified?

8 MR. LOONAM: Absolutely. The same Hafeez who is the
9 emir of the International Operations Program. Abdul Salaam
10 also informed him that Younis al-Mauritani, who he's briefing
11 on this plan together with Abdul Hafeez' subordinate, Abdul
12 Salaam, was in direct communication with Osama bin Laden.
13 We're not talking about conspiracy of all of al-Qaeda.

14 MR. GOTTLIEB: The only thing is, the conversation
15 is had not with Hafeez. Apparently he's having it with some
16 other guy.

17 THE COURT: Understood. Overruled.

1 (Open court.)

2 THE COURT: Thanks for your patience.

3 MR. LOONAM: Can you please read the question back.

4 THE COURT: No. If you can't remember what it was,
5 it wasn't worth asking in the first place.

6 Q Can you please tell us about the discussions you had with
7 Younis al-Maurtani and Abdul Salaam?

8 A Yes. Abdul Salaam recommended I give this idea of mine
9 to Younis. He acted as my translator. I told him everything
10 that I knew about the Long Island Railroad. I answered any
11 questions that he had about it.

12 I drew a map of Long Island and I explained to him
13 that all the trains, all the train tracks going into Manhattan
14 merged into one tunnel, and he felt that the best attack plan
15 would be to have a martyrdom operation conducted while the
16 train was still inside the tunnel to damage the tunnel.

17 Q When you say martyrdom operation what are you referring
18 to?

19 A Suicide bombing.

20 Q And why conduct the attack while the train is in the
21 tunnel?

22 A If the tunnel is damaged it would cause a very big
23 economic hit to New York.

24 Q In addition to causing an economic hit, when you were
25 discussing this plan with Abdul Salaam and Younis

Vinas - direct - Loonam

1140

1 al-Mauritani, were you aware this attack would cause a
2 substantial number of human casualties?

3 A Yes.

4 Q Was that one of the goals of the attack?

5 A Yes.

6 Q Did you have any discussion with Abdul Salaam and Younis
7 al-Mauritani about who the operative should be for such an
8 attack?

9 A He said preferably it would be a white man from one of
10 the Western countries, with Western documents; either from
11 European Union, England, Canada, Australia or the U.S.

12 Q When you said "Western documents" what were you referring
13 to?

14 A Identification papers.

15 Q Now, based on your discussion with Younis al-Mauritani or
16 Abdul Salaam, did either of them have authority to authorize
17 an attack within the United States?

18 MR. GOTTLIEB: Objection.

19 THE COURT: Overruled.

20 A What's the question again?

21 Q Based on your conversations with Younis al-Mauritani or
22 Abdul Salaam, did you have an understanding as to whether they
23 had authority to authorize an attack in the United States?

24 A No. They had no authority.

25 Q Did you have discussions with Abdul Salaam about who did

Vinas - direct - Loonam

1141

1 have authority to authorize such an attack?

2 A Yes.

3 Q According to Abdul Salaam who did have authority to
4 authorize such an attack against the United States?

5 A Sheikh Mahmoud Atiyatallah, Osama bin Ladin, Ayman
6 al-Zawahiri, and Abdul Hafeez.

7 Q You testified earlier that there was a discussion of who
8 the operatives should be to carry out an attack in the United
9 States.

10 Do you remember specifically whether it was Younis
11 al-Mauritani or Abdul Salaam, or both, who discussed that it
12 should be a white man who carries out the attack?

13 A It was Younis' suggestion.

14 Q Now, how was the plan left to attack the Long Island
15 Railroad?

16 A Excuse me?

17 Q Was there any final decision made whether to move forward
18 with the plan?

19 A No, not when I was there anyway.

20 Q What was your role in the plot going to be?

21 A I just gave the information.

22 Q Were you going to return to the United States to conduct
23 the attack?

24 A No.

25 Q What were you going to do?

Vinas - direct - Loonam

1142

1 A Younis said he was going to pitch the idea to Sheikh
2 Mahmoud, and if he had permission to start his own group,
3 which me, Abdul Salaam and Abu al-Abidayn would be part of,
4 and I would be more as an advisor to him.

5 Q To your knowledge, was the Long Island Railroad plot ever
6 approved?

7 A I don't know.

8 Q You testified that Abdul Salaam was under the supervision
9 of Abdul Hafeez; correct?

10 A Yes.

11 Q Were you aware of whether Abdul Salaam conducted any
12 operations against American forces in Afghanistan?

13 A Yes.

14 Q What type of operations did he conduct?

15 A He took part in some rocket attacks on U.S. base.

16 Q Was he able to conduct those attacks against American
17 forces in Afghanistan while he was under Abdul Hafeez'
18 supervision?

19 A Yes.

20 Q A time came when you were arrested, correct?

21 A Yes.

22 Q Where were you arrested?

23 A In Peshawar.

24 Q Why were you in Peshawar?

25 A The fighting season was over. I didn't want to be in the

Vinas - direct - Loonam

1143

1 tribal areas anymore. I had a friend living in Peshawar and I
2 asked him if I could spend the winter there, and also to ask
3 him if he could help me find a wife.

4 Q By the way, travel between Peshawar and the tribal areas,
5 when you say the tribal areas, what are you referring to?

6 A The federally administered tribal areas.

7 Q I am going to put up Government Exhibit 301. Do the
8 tribal areas appear on Government Exhibit 301?

9 A Yes.

10 Q Where do they appear?

11 A Here.

12 Q Is Waziristan within the tribal areas?

13 A Yes.

14 Q How are you able to move from Peshawar to the tribal
15 areas?

16 A Through driving, either by cab or a flying coach.

17 Q When say a cab, what are you referring to?

18 A A taxi.

19 Q Like a taxi you hail in Peshawar?

20 A You pay a driver who rents his car out to drive you where
21 you need to go.

22 Q You mentioned a town Miran Shah. How do you get from
23 Miran Shah back to Peshawar?

24 A Either through flying coach or through a taxi.

25 Q What is a flying coach?

Vinas - direct - Loonam

1144

1 A They call it a flying coach. It's a similar to an
2 airport shuttle van.

12 cleaner.

13 Q And after you were arrested you were transferred to the
14 custody of the FBI, correct?

15 A Yes.

16 Q Now, while you were in Pakistan, or while you were in the
17 United States, did you ever have occasion to meet or
18 communicate with someone by the name of Nazi Najibullah Zazi?

19 A No.

20 Q And either in Pakistan or in the United States did you
21 ever have occasion to meet or communicate with someone by the
22 name of Zarein Ahmedzay?

23 A No.

24 Q Same question for Adis Medunjanin?

25 A No.

Vinas - direct - Loonam

1145

1 Q And the same question for Zakir Khan?

2 A No.

3 Q I'm going to show you photographs in evidence. Did you
4 ever meet the person in Government Exhibit 1?

15 Q All right. So in approximately for a week in 2003 or
16 2004, did you ever purchase or use steroids?

17 A Yes.

18 Q Tell the jury about that.

25 check up on them.

Vinas - direct - Loonam

1149

1 Q In addition to -- going through your past crimes, did you

22 A They will present to my judge a 5K1 letter and he will
23 use that at my sentencing.

24 Q And what goes into that 5K1 letter?

25 A Everything about me, the good and the bad.

Vinas - direct - Loonam

7 CROSS-EXAMINATION

8 BY MR. GOTTLIEB:

9 Q Vinas, you have spent a life getting into trouble and
10 committing crimes; right?

11 A Okay.

12 Q How old are you now?

13 A I'm 29.

14 Q How old were you when you decided to pack up and go and
15 find Al-Qaeda?

16 A I joined Al-Qaeda when I was 25.

17 Q When did you leave the country?

18 A I was 24 when I left the country.

19 Q And you grew up on Long Island; correct?

20 A Yes.

21 Q Having grown up on Long Island, you got in quite a bit of
22 trouble when you were younger; correct?

23 A Yes.

24 Q Your trouble starts when you're still living at home.

25 Was that in Port Jefferson? Or Medford?

B. Vinas - Cross / Gottlieb

1156

1 A Medford, yeah.

2 Q Do you recall that time that you heard that your sister
3 was dating somebody who was older than she was?

4 A Yes.

5 Q And that bothered you; didn't it?

6 A Yes.

7 Q And you went to your school counselor to talk to your
8 counselor about what your sister was doing; right?

9 A Yes.

10 Q And your counselor said you should go home and speak to
11 your mother; right?

12 A Yes.

13 Q And you did that; didn't you?

14 A Yes.

15 Q But it wasn't any ordinary conversation with your mom;
16 was it?

17 A What was the question?

18 Q You got into quite a confrontation with your mom; didn't
19 you?

20 A About the conversation my counselor told me?

21 Q Yes.

22 A Okay.

23 Q How old were you when you had this confrontation with
24 your mom?

25 A 18.

B. Vinas - Cross / Gottlieb

1157

1 Q And this confrontation that you had with your mom reached
2 the point to where your mother had to call the Suffolk County
3 Police Department on you; correct?

4 A Yes.

5 Q Your mother told the Suffolk County Police Department
6 that you were threatening her; correct?

7 MR. LOONAM: Objection.

8 THE COURT: Come on up.

9 MR. LOONAM: Your Honor, I withdraw.

10 THE COURT: Don't come up, stay where you are.

11 Keep going.

12 Q Your motor called the Suffolk County Police Department
13 and reported that you were threatening her and the family;
14 correct?

15 A Yes.

16 Q And the police come to the house; correct?

17 A Yes.

18 Q You're given just a few minutes to pack up and vacate
19 your home; correct?

20 A Yes.

21 Q And as a result of that confrontation, you were actually
22 given a court order ordering you to stay away from your family
23 for one year; correct?

24 A Yes.

25 Q And you didn't see your mom for some five years after

B. Vinas - Cross / Gottlieb

1158

1 that?

2 A It was 2006, yes.

3 Q Well, when you finally did see your mother, is it true
4 that, in your heart, you told her that you forgave her?

5 A I said I wasn't angry anymore, sir. I never said
6 anything about forgiveness.

7 Q In fact, didn't you tell the FBI agents who interviewed
8 you in November of 2008, after your arrest, didn't you tell
9 them that you explained that it was your belief that according
10 to Islam you could not be forgiven by Allah unless you were
11 willing to forgive your mother?

12 Didn't you testimony tell them that?

13 A Yes.

14 Q So, you found it in your heart to forgive your mother for
15 what you did to her during that conversation; right?

16 A Excuse me, say the question again?

17 Q After that incident --

18 A Yes.

19 Q -- you were homeless, while living in Suffolk County;
20 right?

21 A Yes.

22 Q You went bouncing around from friend to friend; correct?

23 A Yes.

24 Q You called your father, you got him to loan you some
25 money to survive; correct?

B. Vinas - Cross / Gottlieb

1159

1 A Yes.

2 Q So finally, after that, you took some time. You went to
3 Cuba; correct?

4 A Yes.

5 Q Eventually, after that, you told us then you decided now
6 to leave America.

7 And that was March of 2007; correct?

8 A September of '07.

9 Q When did you leave --

10 A September.

11 Q -- to go?

12 A September of '07.

13 Q And you decided to go, I'm sorry, in March of 2007;
14 correct? That's when you made this decision to leave;
15 correct?

16 A No, I, I decided to leave much earlier than that. I had
17 ideas at first, but they would come and go. I think they
18 became firm the summer of '07.

19 Q Now, you told us you had a large number of meetings with
20 FBI agents, even before you signed this cooperation agreement;
21 right?

22 A Yes.

23 Q And you numbered these meetings -- how many meetings
24 before the cooperation agreement did you have with them?

25 A Many.

B. Vinas - Cross / Gottlieb

1160

1 Q Many. How many is many?

2 A I'm sorry, I wasn't keeping count. It was, it was a lot.

3 Q When you say a lot, can you give us some approximate
4 number?

5 A Four times a week, at most. Four.

6 Q Four times a week for how many weeks?

7 A Um, when I got arrested until I pleaded guilty.

8 Q So, how many weeks are we talking about?

9 A I need a calendar to count. I don't -- I can't count in
10 my head like that. I don't want to give you a wrong number,
11 sir.

12 Q You were arrested on what day, sir?

13 A I don't know the date I was arrested. All I know is
14 after Election Day.

15 Q Of what year?

16 A Of '08.

17 Q And you had all these meetings with the FBI agents,
18 whatever the number, and it's a big number; right?

19 A A lot, sir.

20 Q And then, after you signed the cooperation agreement, you
21 had even more meetings with prosecutors to prepare for all
22 your testimony; correct?

23 A Yes.

24 Q And when you had all these meetings, you told them
25 everything you know about Al-Qaeda, about your trips to

B. Vinas - Cross / Gottlieb

1161

1 Pakistan.

2 You shared all of that with them; right?

3 A Yes, sir.

4 Q And they asked you all those questions about your
5 involvement; correct?

6 A Yes.

7 Q So, before you took the stand today, there is no
8 question, is there, that the Government prosecutors knew that
9 you had no connection, never met Adis Medunjanin and never
10 spoke to him; correct?

11 A That's correct, I never met him.

12 Q You shared that with them before you testified today;
13 correct?

14 A Yes.

15 Q And before you took the stand today, after all those
16 meetings, is it fair to say that the prosecutors knew you had
17 no contact, no knowledge, no conversations with Zazi or
18 Zarein; correct?

19 A That's correct.

20 Q Now, the Government, they signed that contract, that
21 cooperation agreement with you; correct?

22 A Yes.

23 Q And you understand that that agreement requires you to
24 cooperate; correct?

25 A Yes.

B. Vinas - Cross / Gottlieb

1163

1 falsifying, providing false information in connection with
2 Workers' Comp. claims that you filed; correct?

3 A Correct.

4 Q The Government promised that they're not going to
5 prosecute you -- you have protection, don't worry -- for
6 failing to pay income taxes; correct?

7 A Yes.

8 Q The Government told you not to worry, they're not going
9 to prosecute you for receiving military training from a
10 militant group in Pakistan operated by Shah Sahab?

11 MR. LOONAM: Your Honor, could we have a brief
12 side-bar?

13 THE COURT: No. Overruled.

14 (Pause in the proceedings.)

15 THE COURT: Do you have the question in mind or do
16 you want him to frame it again?

17 THE WITNESS: Yeah, please, repeat it.

18 THE COURT: Please re-frame the question or repeat
19 it.

20 Q The Government promised you in this agreement that they
21 would not charge you or prosecute you for receiving
22 military-style training from a militant group in Pakistan
23 operated by Shah Sahab between approximately September 2007
24 and December 2007; correct?

25 A Correct.

B. Vinas - Cross / Gottlieb

1164

1 Q The Government promised you, after you told hem
2 everything you did, that they would not prosecute you or
3 charge you for attempting to attack U.S. and Afghan military
4 bases in approximately October 2007; correct?

5 A Correct.

6 Q The Government promised you that they would not prosecute
7 you or charge you for receiving military-style training from a
8 militant group operated by Salim in approximately
9 December 2007; correct?

10 A Correct.

11 Q They told you, knowing everything that you have admitted
12 doing when you were over there and firing at American forces,
13 the Government promised you that they would not prosecute you
14 for receiving military-style train from al-Queda?

15 MR. LOONAM: Objection, Your Honor. Please, can we
16 have a side-bar?

17 THE COURT: Sustained as to form.

18 MR. GOTTLIEB: Your Honor, may I put this on the
19 board? It's in evidence, the cooperation agreement.

20 THE COURT: Yes. You may.

21 (The above-referred to Exhibit was published to the
22 jury.)

23 THE COURT: What is this? It's got a 3500 number?

24 MR. GOTTLIEB: I'm sorry, Judge. It is Government's
25 Exhibit 317, the cooperation agreement.

B. Vinas - Cross / Gottlieb

1165

1 THE COURT: Exhibit 317, okay.

2 MR. GOTTLIEB: Reading at paragraph four:

3 *"The office and other offices within the Department*
4 *of Justice agree"* and continuing down in this paragraph --

5 THE COURT: When you're reading, don't speed up,
6 please.

7 MR. GOTTLIEB: I'm sorry.

8 THE COURT: We're still taking it all down.

9 MR. GOTTLIEB: We were up to:

10 *"Receiving military-style training From Al Qaeda*
11 *between approximately March 2008 and August 2008, agreeing to*
12 *act under the direction and control of Al-Qaeda between*
13 *approximately"* --

14 THE COURT: Slow down, slow down, so she can get it
15 all down.

16 MR. GOTTLIEB: I apologize:

17 *"March 2008 and November 2008."*

18 Q That's in the agreement; correct?

19 A Correct.

20 Q It's in the agreement that they're not going to
21 otherwise -- other than what you pled guilty to -- they're not
22 going to add:

23 Attempting to attack a U.S. military base on the
24 Afghanistan-Pakistan border in approximately September 2008;

25 Attacking a U.S. military base on the

B. Vinas - Cross / Gottlieb

1166

1 Afghanistan-Pakistan border in approximately September 2008;

2 Plotting to attack the New York Transit system in
3 approximately September 2008;

4 Establishing communications facilities for Al Qaeda
5 operatives in approximately November 2008, and;

6 Assaulting Pakistani law enforcement officers on or
7 about November 13, 2008.

8 That's the promise you received from our -- from the
9 Government; correct?

10 A Correct.

11 Q Now, in addition to that, the Government's given you some
12 money, also; right?

13 A Correct.

14 Q And they've given you this money after they learned about
15 all the training you received; correct?

16 A Yes.

17 Q The Government agreed and has given you money after
18 knowing how you participated in those attacks where rockets
19 were actually launched at American servicemen and women;
20 correct?

21 A Correct.

22 Q And when you participated in that attack, you knew that
23 the objective in that attack was to kill Americans that you
24 participated in; correct?

25 A Yes.

B. Vinas - Cross / Gottlieb

1167

1 Q So, while you've been in jail for your crimes, how much
2 money has the Government given you?

3 A About \$80 a month.

4 Q And what that's to cover what?

5 A Food and hygiene products, stamps.

6 Q So, the Government's helping you send letters and brush
7 your teeth.

8 A And food, sir.

9 Q And food. Well, in prison.

10 A Yes.

11 Q Now, all the questions we heard, and your answers, you
12 went over that with the Government prosecutors before you took
13 the witness stand; right?

14 A Yes.

15 Q So, you go to Pakistan in September of 2007 because you
16 want to find some group to fight with; correct?

17 A Yes.

18 Q You then begin a search to find some group that will give
19 you training; correct?

20 A Correct.

21 Q And is it fair to say that did not happen immediately;
22 meaning, you didn't find that group where you actually
23 received training as soon as you arrived; correct?

24 A Correct.

25 Q In fact, you were so interested in doing this, it took

B. Vinas - Cross / Gottlieb

1168

1 quite a bit of effort and perseverance on your part; correct?

2 A Yes.

3 Q And in fact, even though you reached out to find the
4 training, you determined that you were getting the runaround;
5 right?

6 A Yes.

7 Q You spoke to a lot of people, searching for somebody who
8 could get you into training; correct?

9 A Correct.

10 Q And it took at least a week-and-a-half after you arrived
11 for you even to find somebody who could bring you to that
12 first compound of Shah Sahab; correct?

13 A Correct.

14 Q So, your first ability after going there, after one and
15 one-half weeks, you finally are brought to the compound of
16 Shah Sahab where you meet a group of 30 fighters; correct?

17 A Correct.

18 Q So, when you arrived at this location, you weren't the
19 only person there; were you?

20 A No, sir.

21 Q And when you arrived at this location and saw these other
22 fighters there, you, yourself observed a storage room with
23 lots of weapons; correct?

24 A Correct.

25 Q And lots of ammunition; correct?

B. Vinas - Cross / Gottlieb

1169

1 A Correct.

2 Q And after you are there for at least a week, you learned
3 that the group was preparing to attack the Afghan army in
4 Kunar Province; correct?

5 A Correct.

6 Q So, you then travel with this group of fighters; correct?

7 A Correct.

8 Q You think your first action is you're going to actually
9 get involved in a battle; correct?

10 A Yes.

11 Q So, you travel with them to the Pakistani border;
12 correct?

13 A Yes.

14 Q And when you arrived at the Pakistani border, they don't
15 even take you with them into the fight; do they?

16 A No.

17 Q In fact, you're not included in this first battle even
18 though you made the trip; correct?

19 A Correct.

20 Q A few days later, these fighters return; correct?

21 A Later that night they came back.

22 Q So far, you haven't received any training; correct?

23 A Correct.

24 Q They told you something that maybe you would be part of a
25 mortar tomorrow; correct?

B. Vinas - Cross / Gottlieb

1170

1 A Correct.

2 Q But so far, you're not involved in any mortar tomorrow;
3 right?

4 A Correct.

5 Q And, in fact, it was a few days that you were with them,
6 even before they went out in on this operation; correct?

7 A Yes.

8 Q Now, you told us that after this first involvement with
9 them, you then return with them to the base; right?

10 A Yes.

11 Q Still no training; right?

12 A Correct.

13 Q Now you're back there and I believe, correct me if I'm
14 wrong, you said that's when, when the group returned from
15 their mission, after a period of time, the third-in-command
16 approached you and asked you, would you be a suicide bomber;
17 correct?

18 A Yes.

19 Q And I believe you told us that you were considering that.
20 Why?

21 A I had a difficult time in the high altitude. I felt it
22 would be easier to conduct it -- more than an operation.

23 Q So what, you were getting like?

24 A High-altitude sickness.

25 Q Like, if you go to Denver; you get high-altitude

B. Vinas - Cross / Gottlieb

1171

1 sickness?

2 A I never been to Denver, sir.

3 Q So, you're getting a little high-altitude sickness. You
4 decide, you know what? It will be easier to be a suicide
5 bomber; correct?

6 A Yes.

7 Q Why fight in the fields if you can be a suicide bomber;
8 correct?

9 A Yes.

10 Q In fact, when you were approached about being a suicide
11 bomber, didn't you tell the Commandante, that's who asked you;
12 right? The third person, the third guy in power there was the
13 Commandante?

14 A Commandan.

15 Q Commandan, excuse me.

16 A Yeah.

17 Q You told him that him that you were ready because you
18 were sickly with a bad back, you were suffering from perpetual
19 diarrhea, and you were not able to easily move around the
20 mountainous region of Mohmand Agency; correct?

21 A Yes.

22 Q So, now that you're given this opportunity to be a
23 suicide bomber, you're also told at that time that it's not
24 automatic that you're going to be a suicide bomber; right?

25 A Correct.

B. Vinas - Cross / Gottlieb

1172

1 Q In fact, you are told, even if you want to be a suicide
2 bomber, there's a waiting list; correct?

3 A No, not with Shah Sahab's group, no.

4 Q You were told that you first had to be approved to be a
5 suicide bomber; correct?

6 A Yes.

7 Q You were told that you would actually have to wait before
8 any final decision was reached; correct?

9 A Yes.

10 Q You waited for at least three days, I believe, at the
11 Madrassa, to learn whether or not you've been accepted as a
12 suicide bomber; correct?

13 A Yes.

14 Q And ultimately, you learned that you were rejected to
15 even being a suicide bomber; correct?

16 A Yes.

17 Q You were rejected because, as you understood it and you
18 were told, you did not have enough Islamic knowledge; correct?

19 A Correct.

20 Q Now, the people who you were speaking with about being a
21 suicide bomber, you had spent quite a bit of time with them;
22 right?

23 A Okay.

24 Q They were getting to know you; right?

25 A Yes.

B. Vinas - Cross / Gottlieb

1173

1 Q And when they rejected your application to be a suicide
2 bomber, you suspected what was really going on is they just
3 wanted to get rid of you; right?

4 A Yes, that was one thought that went through my head.

5 Q You felt that they were just trying to keep you out of
6 the action and were not -- they didn't really care about you;
7 right?

8 A Yes.

9 Q So, now, at this point, after you go there and you're
10 rejected as a suicide bomber, how much time has passed since
11 your arrival in Pakistan?

12 A I think it was the last day of Ramadan of that year.
13 Maybe three weeks.

14 Q Fair to say, at this point you're getting frustrated;
15 right?

16 A Yes.

17 Q You're not doing what you came all that way over to do;
18 correct?

19 A Yes.

20 Q So, you have a conversation with the Imam at the Malawi
21 Madrassa; correct?

22 A Malawia Madrassa.

23 Q And you tell him about your frustration; correct?

24 A Yes.

25 Q You tell him that you wanted to get involved in training;

B. Vinas - Cross / Gottlieb

1174

1 correct?

2 A Yes.

3 Q And the Imam tells you he's going to make calls to see if
4 anyone's willing to take Bryant Vinas into their group;
5 correct?

6 A He was calling around to see what schools I can go to.
7 What Madrassas would except me.

8 Q And eventually, arrangements are made for you to go to
9 the home of Abu Huraira; correct?

10 A Correct.

11 Q How long was it from the time you complain to the Imam
12 and told him that you still wanted to get into training, how
13 much time passed before he told that you arrangements were
14 going to be made for to you go to Abu Huraira's place?

15 A Few weeks.

16 Q Fair to say that, as of that time, you have been there
17 for at least five weeks and still no training; correct?

18 A Correct.

19 Q So, you go to Abu Huraira's Abu Huraira's home. And when
20 you arrive there, you don't immediately go into training; do
21 you?

22 A No.

23 Q In fact, you went to his home thinking you're going to
24 get into training and you then spent some time just traveling
25 around and playing with the kids at the house; correct?

B. Vinas - Cross / Gottlieb

1175

1 A I went to his house. He said that he was going to be my
2 escort to go to a different town where there would be a
3 Madrassa that would except me.

4 When I was about to go, the Pakistan Army started
5 fighting in that town, so that plan was canceled. I ended up
6 staying in his home because the Army was fighting against the
7 City I was supposed to go to.

8 Q And while you're at his home, you travel around to the
9 other residences in the area for meals and you played with the
10 kids in the neighborhood; correct?

11 A Yes.

12 Q You didn't receive any training while you were at
13 Abu Huraira's house; did you?

14 A No.

15 Q Comes a time that you actually get into an argument with
16 Abu Huraira about why you had to wait so long before getting
17 into training; right?

18 A Yes.

19 Q And Abu Huraira told you that he was still trying to get
20 you into a Jihad training camp; correct?

21 A Yes.

22 Q He told you that, possibly, he could get you into
23 Shah Sahab's group for training; correct?

24 A No, he said I would go with a man named Abu Hamza. I
25 would go to his group.

B. Vinas - Cross / Gottlieb

1176

1 Q Didn't Abu Huraira suggest to you that he may be able to
2 get you into Shah Sahab's group to receive training?

3 A I was already in Shah Sahab's group.

4 Q Did he tell you, specifically, that he may be able to get
5 you into Shah Sahab's group to receive training?

6 A No, he said he was going to take me to see Abu Hamza. To
7 Abu Hamza's group.

8 Q Do you recall speaking to the FBI agents in November
9 of 2008 and telling them that it was Abu Huraira who agreed to
10 try to see if he could get you into a Jihad training program
11 and suggested he may be able to get you into Shah Sahab's
12 group to receive training?

13 Do you recall saying that to the FBI agents?

14 A No. I said Abu Huraira offered for me to go to
15 Abu Hamza's group.

16 Q So, now, after spending time with Abu Huraira, you get
17 back and take a bus to meet with Shah Sahab; correct?

18 A No. I went to go see Abu Hamza.

19 Q Do you recall Shah Sahab saying that he will train you?

20 A When Shah Sahab saw -- no, correction -- when Hadith, who
21 was the second-in-command of Abu, saw that I was ready to go
22 with Abu Hamza, he offered then to give me training.

23 Q Shah Sahab then offered to give you training; correct?

24 A No, it was Hadith.

25 Q Do you recall speaking to FBI agents in November of 2008

B. Vinas - Cross / Gottlieb

1177

1 and telling them that you eventually ended up taking a flying
2 coach back to Mohmand Agency and met with Shah Sahab who told
3 Vinas -- told you -- that he would take you into his group and
4 that he would train you?

5 A That was after Abu Hamza was ready to take me. That's
6 when Hadith promised to train me.

7 Q So, then how long, how long now are you in Pakistan at
8 the time you have this conversation in which Shah Sahab says
9 that he would train you? How much time had passed? How many
10 weeks?

11 A This must have been around November. So, from middle of
12 September up until middle of November.

13 Q And even here, once that statement is made that maybe
14 Shah Sahab would be able to train you, you're disappointed
15 once again; right?

16 A Yes.

17 Q Shah Sahab doesn't show up for training; correct?

18 A Correct.

19 Q Shah Sahab doesn't show up for at least two weeks;
20 correct?

21 A Correct.

22 Q And while you're just hanging around waiting,
23 Shah Sahab's group of fighters, they go out on a second
24 mission; correct?

25 A It was Abu Hamza's group that went on a mission.

B. Vinas - Cross / Gottlieb

1178

1 Q They didn't take you along; did they?

2 A No.

3 Q Is it fair to say that the frustration inside you with
4 all this delay and difficulties in getting training is boiling
5 up inside you?

6 A You could say, that yes.

7 Q But you are persistent in trying to get some training;
8 right?

9 A Yes.

10 Q So, you then travel back and you meet up with
11 Abu Huraira; correct?

12 A Yes.

1 CROSS-EXAMINATION CONTINUED

2 BY MR. GOTTLIEB:

3 Q You told him and complained to him, still no stringing,
4 right?

5 A Yes.

6 Q And he introduces you to a friend, his friend, who's
7 Huzafa, correct?

8 A Huzafa.

9 Q Huzafa.

10 A Yes.

11 Q And Huzafa says to you, don't worry, he can link you up
12 with an Arab Jihadist group, correct?

13 A He told Abu Herrara that he could help me meet some
14 Arabs.

15 Q And that's when finally Salim takes you to a training
16 camp operated by Salim correct?

17 A Yes.

18 Q Now, during this period of time, while you were still
19 waiting for the final word that you would be able to get
20 training, do you remember what you spent your time doing?

21 A I was doing a lot of nothing, sir.

22 Q In fact, you did some sight-seeing, correct?

23 A Correct.

24 Q You spent some time going to juice bars, correct?

25 A Yes.

Vinas - cross/ Gottlieb

1180

1 Q You did all that while you were still hanging around
2 waiting to receive training, correct?

3 A Yes.

4 Q And at this point you arrive and you go to this training
5 center for a day and a half, correct?

6 A Yes.

7 Q And that's when you are told after a day and a half that
8 they would take you to a place in Waziristan, correct?

9 A Yes.

10 Q That's when you were told after spending time with Saleem
11 that he will help you finally receive some training, correct?

12 A Correct.

13 Q And Huzaifa stays with you for two or three days,
14 correct?

15 A Yes.

16 Q And during that time Saleem allows you to actually fire a
17 variety of weapons at a nearby mountainside, correct?

18 A Yes.

19 Q Did you enjoy doing that?

20 A A little bit, sir, yes.

21 Q Then is before you even went to Waziristan for what you
22 called was going to be the training, correct?

23 A Correct.

24 Q So after when you went there, when they allowed you to
25 fire some weapons, that included PK machine gun, correct?

Vinas - cross/ Gottlieb

1181

1 A Yes.

2 Q The Kolashnikov, correct.

3 A Yes.

4 Q An RPG, correct?

5 A Yes.

6 Q But you still wanted to receive training and that's why
7 you then went to Waziristan with Saleem, correct?

8 A He told me he was going to try to get me into a group of
9 Arabs. My best feeling was that it was going to be a militant
10 group.

11 Q And that's when Saleem then makes arrangements for you to
12 go to Khyber K-H-Y-B-E-R agency?

13 A I was already in Khyber agency when he told me that.

14 Q You were told that while you travelled to pretend that
15 you were deaf, correct?

16 A Correct.

17 Q Now, it wasn't until months later that you are then taken
18 to that house in Mir Ali, correct?

19 A What house, sir.

20 Q Were you taken to a transit house in Mir Ali at some
21 point?

22 A Transit house in Mir Ali, you mean Zerraki.

23 Q Do you recall being taken by Zubair Al-Kuwati a transit
24 house in Mir Ali where there were a number of Arabs waiting to
25 start their first training?

Vinas - cross/ Gottlieb

1182

1 A Okay. It was outside Mir Ali. I'm sorry.

2 Q That was months later, correct?

3 A Correct.

4 Q So all this time has past that you told us about and now
5 a number of months go by and you are now arriving for the
6 first time at this house where there are Arabs waiting to
7 start their first training correct?

8 A Yes.

9 Q That's when you were told, as you told us on direct,
10 about what training would be like, what training was all
11 about, correct?

12 A Yes.

13 Q You were told that there would be basic weapons class
14 involving instruction on mortar and cannon 82, correct?

15 A Correct.

16 Q By the way, what's Cannon 82?

17 A It's a bigger RPG 7. It's not like the way it looks but
18 it is much bigger than. You use a tripod. You can use a
19 tripod to launch rockets.

20 Q You were told that one of the classes in the training
21 schedule with also be basic explosives training correct?

22 A Yes.

23 Q You were told that one of the classes in this basic
24 training was also projectiles class involving the BM1 and
25 Canon 82, correct?

Vinas - cross/ Gottlieb

1183

1 A Yes.

2 Q You were told that at the conclusion of the three classes
3 the recruits would assist in a cross border attack, correct?

4 A The students?

5 Q Recruits.

6 A Oh, the recruits. Afterwards you would be deployed to
7 different area and depending on what your -- whoever your amir
8 was, then he would tell you what you're going to participate
9 in.

10 Q You were told that you must be given permission to engage
11 in training, correct?

12 A Correct.

13 Q You were told that there was a middle ranging member of
14 your group who would tell you when you had received permission
15 to train, correct?

16 A Yes.

17 Q Upon arriving at this first Al-Qaeda training camp, is it
18 not true that an overwhelming majority of the new recruits, as
19 you understand it, are met by a coordinator and are directed
20 to complete a questionnaire listing their skills and
21 qualifications?

22 A Yes.

23 Q And did you do that?

24 A No.

25 Q And they waived that requirement for you?

Vinas - cross/ Gottlieb

1184

1 A Yes.

2 Q They required it for everybody else?

3 A I only met one other person who didn't fill out an
4 application like that.

5 Q Everybody else did, correct?

6 A To my knowledge, yes.

7 Q You were told that for this training you must be on a
8 list and actually had to enroll in the training, correct?

9 A Yes.

10 Q Regarding this Abdul Hafeez that you told us about on
11 direct, you never spoke to him about doing any missions for
12 Al-Qaeda, correct?

13 A Correct.

14 Q So now that you are finally involved in training, you
15 indicated that the first part was you thought about two weeks,
16 correct?

17 A Excuse me. Say that again.

18 Q It was about two weeks now that you are finally involved,
19 correct, the first part?

20 A Involved with what, sir?

21 Q The training?

22 A The basic course?

23 Q Yes.

24 A Yes.

25 Q And at this first initial training. You were taught

Vinas - cross/ Gottlieb

1185

1 about Russian weapons, a little bit of electronic wiring,
2 explosives training. Correct?

3 A Yes.

4 Q It included training in GPS and electronic circuits,
5 correct?

6 A Yes.

7 Q It included land mine training, correct?

8 A Yes.

9 Q Night navigation training, correct?

10 A Yes.

11 Q With regard to the firing of the weapons now that you are
12 are finally involved in training, fair to say that each
13 student fired 30 rounds through the Kolashnikov?

14 A Yes.

15 Q Six rounds through the pistol?

16 A Yes.

17 Q Twenty rounds through the PK?

18 A About 20.

19 Q And as part of this training that you received, fair to
20 say that there were also competitions taking apart the
21 weaponry, correct?

22 A Yes.

23 Q Competitions that you engaged in this training taking
24 apart the weapons blindfolded, correct?

25 A Yes.

Vinas - cross/ Gottlieb

1186

1 Q You received instructions in land navigation, correct?

2 A Yes.

3 Q And that's when the last day of the class was, that
4 target practice that you told us about, correct?

5 A Yes.

6 Q But this training was not complete because you then were
7 taken to a house for house explosives training very quickly,
8 correct?

9 A About two months after I had completed basic course.

10 Q This was more complicated, more complex explosives
11 training beyond what you'd already been taught, correct?

12 A Yes.

13 Q And that's where you learned how to construct the suicide
14 vest, correct?

15 A We learned how to build certain parts of it; not the
16 whole thing.

17 Q Now, after you received all this training you didn't
18 immediately get involved in battles, did you?

19 A No.

20 Q That really bothered you, didn't it?

21 A Yes.

22 Q You waited at least a month at different safe houses,
23 didn't you, waiting for your orders to engage in that promised
24 cross border missile attack?

25 A Yes.

Vinas - cross/ Gottlieb

1187

1 Q You couldn't wait to actually be involved in that attack,
2 could you?

3 A Correct.

4 Q So late September of 2008 you were taken with a group of
5 fighters to a site on the border of Pakistan and Afghanistan,
6 correct?

7 A Yes.

8 Q The target was an American base in Afghanistan, correct?

9 A Yes.

10 Q Didn't work out for you though, did, Mr. Venas?

11 A Can you clarify it didn't work out?

12 Q Nothing happened, right?

13 A The first time, no.

14 Q You had to return to the compound, correct?

15 A Yes.

16 Q But you didn't give up because you waited and you went
17 out on the second attack, correct?

18 A Yes.

19 Q You actually were involved in launching the rockets that
20 apparently narrowly missed the base, correct?

21 A I was on defensive positioning up on a higher mountain.
22 I didn't launch the rocket, no, sir.

23 Q So what was your job?

24 A Me and three other people in the group, we were on
25 defensive positioning in case a Pakistani helicopter was going

Vinas - cross/ Gottlieb

1188

1 to come and attack us.

2 Q After that attack you then continued to stay with your
3 group of fighters, correct?

4 A Yes.

5 Q Now, you told us about the Long Island Railroad plot. Are
6 you telling us that this was just your original creative
7 thought?

8 A The final plan, no, but some of the ideas that I gave in
9 the beginning were mine, yes.

10 Q And you are really proud that you came up with this plot
11 to place a bomb on the Long Island Railroad, correct?

12 A Yes.

13 Q You're really proud of this creative idea because you
14 knew especially if it was a tunnel hundreds and hundreds of
15 people would die, correct?

16 A Yes.

17 Q And when you came up with this idea you couldn't wait to
18 share it with somebody, correct?

19 A Correct.

20 Q You told whoever you spoke to, you told them about the
21 lack of security on the Long Island Railroad, correct?

22 A Correct.

23 Q You told them how easy it would be to get the bomb on the
24 train, correct?

25 A Correct.

Vinas - cross/ Gottlieb

1189

1 Q You actually suggested setting the bomb off at the
2 entrance, correct?

3 A Okay. Yes.

4 Q Now, regarding your personal contacts with Abdul Hafeez,
5 you didn't speak to him, did you, about this?

6 A No.

7 Q Did you say on direct the reason you didn't speak to him,
8 you didn't like him?

9 A Correct.

10 Q You didn't like him because you had, like, a personal
11 matter with him?

12 A Yes.

13 Q What was that?

14 A I had been approved to go to Pashto to send money to
15 Western Union to Cuba, and he interfered with my plan to go.
16 Another friend told me that he was testing me and I -- I took
17 that pretty personally because it was a personal matter that I
18 wanted to take care of and he was interfering with it.

19 Q And the money you wanted to send to Cuba was for who?

20 A For my girlfriend over there.

21 Q So because Hafeez wouldn't let you send the money to your
22 girlfriend, that's why you didn't talk to him?

23 A Yes.

24 Q By the way, you were a member of the United States Army
25 in May of 2002?

Vinas - cross/ Gottlieb

1190

1 A No, March.

2 Q How long were you a member of the United States Army?

3 A About three weeks.

4 Q You left why?

5 A I didn't like it. I felt it was too mentally difficult
6 and I quit. I dropped out.

7 Q When you say during those three weeks, you described that
8 what you did was sing songs and learn how to dress properly,
9 and march?

10 A Those were some of the things.

11 Q That was mentally overwhelming for you?

12 A No. The part of that was difficult was getting punished
13 for other people's mistakes that were in the group. I never
14 got in trouble. I just -- the accumulation of constantly
15 getting punished was mentally tough for me.

16 Q So after you shared your ideas about the Long Island
17 Railroad bombing you're not aware that anything came of that,
18 correct?

19 A I don't know.

20 Q Your idea just sort of evaporated, right?

21 A No, I was arrested a little bit after that.

22 Q You told us that you came up with this other creative
23 idea about attacking Wal-Mart, correct?

24 A Yes.

25 Q You felt that an attack on Wal-Mart would cripple sales

Vinas - cross/ Gottlieb

1191

1 and damage the United States economy, correct?

2 A Yes.

3 Q That was rejected, wasn't it, that idea?

4 A Yes.

5 Q So with everything you did over there, when you met with
6 the prosecutors they told you they want your help at this
7 trial, correct?

8 A I wouldn't call it help, sir. They just told me I had to
9 testify in this trial.

10 Q And you know that if you provide substantial assistance
11 and the government is satisfied with you, they're going to
12 write that 5k letter, correct?

13 A If I follow the plea agreement they will submit a 5k1
14 letter.

15 Q You understand that the decision as to whether or not you
16 have complied with the agreement, that is not your decision to
17 make, right?

18 A No.

19 Q That is not a judge's decision to make, is it?

20 A No.

21 Q That's the prosecutor's decision to make, correct?

22 A Yes.

23 Q And these are the prosecutors who were told about
24 everything you did in going to battle in Afghanistan, correct?

25 A Correct. (Continued on next page)

Vinas - cross - Gottlieb

1192

1 **EXAMINATION CONTINUES BY MR. GOTTLIEB:**

2 Q Those are the prosecutors who are going to decide whether
3 or not to give you your break; correct?

4 A I don't know if I'm going to get a break, sir. That is
5 up to the judge.

6 Q Actually, it's going to be up to the prosecutors,
7 correct?

8 MR. LOONAM: Objection. Argumentative?

9 THE COURT: Overruled.

10 Q Right, it's up to the prosecutors whether or not to write
11 the letter to thing judge asking that you be given the break,
12 right?

13 A They are to hand in the 5.K1. It's up to the judge to
14 give me a sentencing, sir. It's only up to the judge what he
15 can give me.

16 Q When you were meeting with the prosecutors in preparation
17 your testimony, they told you that the defense attorney was
18 going to be asking you about this 5K letter, right.

19 A It came up, yes.

20 Q Yes.

21 MR. GOTTLIEB: Thank you, sir.

22 THE COURT: Any redirect?

23 MR. LOONAM: Yes, your Honor, briefly.

24 THE COURT: Thank you, Mr. Gottlieb.

25

Vinas - cross - Gottlieb

1193

1 REDIRECT EXAMINATION

2 BY MR. LOONAM:

3 Q Mr. Vinas, you were asked questions on cross-examination
4 about paragraph four of your cooperation agreement. Do you
5 remember those questions?

6 A Not all of them.

7 Q You were asked questions that the government was not
8 going to prosecute you for attempting to attack an Afghan
9 military base in approximately 2007, correct?

10 A Okay.

11 Q And you were asked questions about the government wasn't
12 going to prosecute you for receiving military style training
13 from al-Qaeda, correct?

14 A Right.

15 Q And the government wasn't going to prosecute you for --

16 THE COURT: Slow down. Speak a little slower. We
17 have the list in front of us. We understand your question
18 now. I don't think you need to repeat the whole paragraph.

19 Q If we go to the top of the paragraph, sir, that paragraph
20 begins: Except as provided in paragraphs 1, 8 and 9 of this
21 agreement; correct?

22 A Okay.

23 Q Paragraph one indicates that you had to plead guilty to a
24 three count information, correct?

25 A Yes.

Vinas - cross - Gottlieb

1194

1 Q And that three count information included counts of
2 conspiracy to murder United States nationals, correct?

3 A Yes.

4 Q In connection with that count, you had to talk about
5 certain things you did, certain overt acts; do you remember
6 that?

7 A Yes.

8 Q Do you remember what those overt acts included off the
9 top of your head, do you remember?

10 A What do you mean by "overt"?

11 Q Do you remember what acts you had to plead guilty to as
12 part of the conspiracy to kill U.S. personnel?

13 A The other two charges?

14 Q No, within that charge. Do you remember the acts you had
15 to plead guilty to?

16 A The attack on U.S. base.

17 Q And so you had to plead guilty to the attack on the U.S.
18 base?

19 A Yes.

20 Q And for providing material support to a foreign terrorist
21 organization; do you remember what you had to plead guilty to
22 with respect to that count?

23 A Yes.

24 Q What sentence do you face as a result of the crimes that
25 you pled guilty to?

Vinas - cross - Gottlieb

1195

1 A Life.

2 Q You were asked some questions about the lack of training
3 when you were with Shah Sahb, do you remember those questions?

4 A Yes.

5 Q Was Shah Sahb part of al-Qaeda?

6 A No.

7 Q Once you were connected with al-Qaeda, how long did it
8 take until you began your training?

9 A Less than a week.

10 Q This is just a point for clarification. You were asked
11 some questions about Salim and then the questions moved to
12 your al-Qaeda training. Was it Salim who took you to the
13 al-Qaeda training camp?

14 A No.

15 MR. LOONAM: If I can show the witness, your Honor?

16 Q Have you ever seen anything like that before?

17 A Yes.

18 Q What does that resemble to you?

19 A That is an RPG 9.

20 Q I'm showing you Government Exhibit 58 marked for
21 identification. Did you receive any training on that weapon?

22 A Yes.

23 MR. LOONAM: If we could publish that to the jury.

24 THE COURT: You offer it?

25 MR. LOONAM: It's in evidence.

Nahas - direct - Loonam

1196

1 THE COURT: All right.

2 Q Where did you receive training on that weapon?

3 A In the projectile weapons theory class.

4 Q So that was the third class you took that you received
5 training on that weapon?

6 A Yes.

7 MR. LOONAM: No further questions, your Honor.

8 THE COURT: Thank you, Mr. Loonam.

16 THE WITNESS: John Ross -- R-O-S-S.

17 MR. LOONAM: May I enquire, Your Honor?

18 THE COURT: Yes, you may.

19 DIRECT EXAMINATION

20 BY MR. LOONAM:

21 Q Good afternoon.

22 A Good afternoon.

23 Q Who do you do for a living?

24 A I'm an investigator with the U.S. Attorney's office.

25 Q All right, and what are your job responsibilities as an

J. Ross - Direct / Loonam

1203

1 investigator for the United States attorneys office?

2 A I'm assigned to the Joint Terrorist Task Force and work
3 on investigations that are being conducted by the
4 U.S. Attorney's Office.

5 Q How long have you held that position?

6 A Approximately, nine years.

7 Q And prior to working for the United States Attorney's
8 office, what did you do for a living?

9 A I was a detective with the New York City Police
10 Department for over 20 years.

11 Q And as a detective with the New York City Police
12 Department, what was your last assigned duty?

13 A I was assigned to a unit called the Technical Assistance
14 Response Unit, also called TARU.

15 Q And as a detective assigned to TARU, what were your job
16 responsibilities?

17 A We conducted the technical aspects of major
18 investigations being conducted by the various units within the
19 New York City Police Department, such as, you know, homicide,
20 kidnappings, major narcotics, and organized crime.

21 Q And how long did you work as a detective with the TARU
22 unit?

23 A Approximately, 15 years.

24 Q Now, in connection with the investigation into the
25 defendant, did you have an opportunity to review toll records

J. Ross - Direct / Loonam

1204

1 in this case?

2 A Yes.

3 Q And those are phone toll records; correct?

4 A Yes.

5 Q Can you tell the Members of the Jury what phone toll
6 records are?

7 A Toll records are basically billing records that are
8 maintained by various telecommunications carriers in order to
9 bill their customer and collect the money.

10 Q All right. Do toll records reflect the content of phone
11 calls?

12 A No.

13 Q And do toll records tell you who was using a particular
14 phone at a particular time?

15 A No.

16 Q Now, during your work on this case, did you review phone
17 toll records for the following phone numbers: (718) 216-6644,
18 (303) 500-2877, (212) 671-2381, (718) 552-0944,
19 (718) 661-2645, (917) 217-3319, (347) 863-4322, and 911?

20 A Yes.

21 Q And your review of those toll records, did you summarize
22 the contacts between those various phone numbers that we just
23 listed?

24 A Yes.

25 MR. LOONAM: All right, Your Honor, if I could just

J. Ross - Direct / Loonam

1205

1 show the witness.

2 THE COURT: Yes.

3 MR. LOONAM: I am showing you what is marked as
4 Government's Exhibit 173 for identification.

5 (The above-referred to Exhibit was published to the
6 witness.)

7 Q Do you recognize this document that's Government's
8 Exhibit 173?

9 A Yes.

10 Q What do you recognize it to be?

11 A That's the first page of the summary document that was
12 prepared.

13 Q Okay.

14 MR. LOONAM: Your Honor, the Government offers 173
15 into evidence at this time as a summary Exhibit.

16 THE COURT: All right.

17 All prior objections preserved; that said, anything
18 further on the subject?

19 MR. GOTTLIEB: No, Your Honor.

20 THE COURT: Proceed.

21 (Government's Exhibit 173 was received in evidence.)

22 MR. LOONAM: Okay, let's go through the phone
23 numbers first.

24 (The above-referred to Exhibit was published to the
25 jury.)

J. Ross - Direct / Loonam

1206

1 Q The first phone number that's indicated in yellow, what's
2 that phone number?

3 A That's (718) 216-6644. The Adis Medunjanin cell phone.

4 Q Okay. And the (303) number?

5 A You have to bring it down a little bit.

6 Q Oh.

7 (Complies.)

8 Q Is that better?

9 A Yes, okay.

10 Q All right?

11 A (303) 500-2877, Najibullah Zazi's cell phone.

12 Q And that's indicated in green; correct?

13 A Yes.

14 Q And the next phone number?

15 A (212) 671-2381, Najibullah, pre-paid cell phone.

16 Q All right. And also, indicated in green; correct?

17 A Yes.

18 Q And then the next set of newspapers?

19 A (718) 552-0944. Zarein Ahmedzay cell phone in purple.

20 Q And the next number?

21 A (718) 661-2645. Zarein Ahmedzay home phone number, also
22 shaded in purple.

23 Q And then, the number there that appears in blue?

24 A (917) 217-3319, funeral home cell phone.

25 Q And then the number in, I don't know, beige?

J. Ross - Direct / Loonam

1207

1 A (347) 863-4322, Zakir Khan's cell phone.

2 Q And the number in red, finally, is 911 emergency?

3 A 911, correct.

4 Q Okay. Now, when you look at these records, there is a
5 date, time, originating number, terminating number, duration,
6 and Exhibit.

7 The date, what does that reflect?

8 A That's the date that the call was initiated or received.

9 Q Okay. And the time, what does the time reflect?

10 A The time that the call was made.

11 Q Okay. Now on certain occasions, such as what I'm
12 indicating on 8/2/08, to demonstrate, there are two times
13 listed for a particular communication.

14 Can you explain to the Members of the Jury why there
15 are two times listed for a communication?

16 A Well, there are several reasons why there could be two
17 different times for the same call.

18 In that particular case, the (212) 671-2381 number
19 is a T-Mobile pre-paid cell phone, which they're billing
20 records are kept in Pacific Time and not in Eastern Standard
21 Time.

22 And additionally, there may be discrepancy in the
23 minutes because all the, all the different carriers are not on
24 the same clock. Every -- like AT & T's time would be a little
25 bit different than T-Mobile's time. So, you have to take that

J. Ross - Direct / Loonam

1208

1 into account, also.

2 Q All right. Now, originating number --

3 THE COURT: When you say minutes, are you talking
4 about duration?

5 THE WITNESS: No. I'm talking about the minutes of
6 the time.

7 THE COURT: In the time, thank you.

8 THE WITNESS: Correct.

9 THE COURT: I'm sorry, go ahead, Mr. Loonam.

10 MR. LOONAM: Thank you, sir.

11 Q Now, the column for originating number, what does that
12 indicate?

13 A That indicates the number that originated or made the
14 call. Dialed the call.

15 Q And the terminating number?

16 A Is the party that received the call.

17 Q Okay. Now the duration, explain what the duration column
18 indicates.

19 A The length of billable time of the call.

20 Q All right. Now, does the length of billable time
21 necessarily correspond to how long the duration of the call
22 actually was?

23 A Not necessarily. Some carriers actually will give you
24 the actual duration of your call and some carriers round up to
25 the next minute.

J. Ross - Direct / Loonam

1209

1 Q Okay. And then the Exhibit column references the toll
2 records that actually reflect the other information contained
3 in the row; correct?

4 A Yes.

5 Q Now, when you look down at certain of these records,
6 there are two entries. For example, on 7/28/08, there is a
7 call originating from the secure con telephone and terminating
8 at the Adis Medunjanin cell phone. And that's reflected on
9 two Exhibits, the secure cell and the a.m. cell.

10 However, if you look at just the very next entry --

11 THE COURT: Is this a question?

12 MR. LOONAM: It will, I'm going explain it

13 Your Honor, I apologize.

14 Q The next Exhibit only indicates one record.

15 What's the significance of that?

16 A That just shows that, in the particular record that has
17 two Exhibits, it just means that the call appeared in both
18 billing records; in the phone that originated the call and the
19 phone that received the call.

20 Q Okay. All right. And what are the various reasons why a
21 record may appear in only one set of toll records?

22 A Well, there are a number of reasons, but generally it may
23 not appear in the -- on the terminating number, the party that
24 received the call. The most, generally, the most times that
25 you would see that happen is if a call was not actually

J. Ross - Direct / Loonam

1210

1 answered, it was answered by the voicemail system. Then the
2 billing, the billing system would not kick in.

3 There were also times when a call is actually made
4 and received where the billing system just doesn't pick it up.

5 MR. LOONAM: Publishing for the jury Government's
6 Exhibit 131 in evidence, Your Honor.

7 THE COURT: Okay.

8 (The above-referred to Exhibit was published to the
9 jury.)

10 MR. LOONAM: I'm going direct you to paragraph one.

11 Q Paragraph one of 131 indicates what, Investigator Ross?

12 A You want me to read it?

13 Q Yes.

14 A *"On August 28th, 2008, the defendant Adis Medunjanin,*
15 *Najibullah Zazi, and Zarein Ahmedzay flew from Newark Liberty*
16 *International Airport in Newark, New Jersey to Bacha Khan*
17 *International Airport in Peshawar, Pakistan via Geneva,*
18 *Switzerland and Doha, Qatar.*

19 *Medunjanin, Zazi, and Ahmedzay traveled on*
20 *Qatar Airways, flight number 84."*

21 Q Okay. Now in connection with your work, did you have an
22 opportunity to review phone records that reflected contacts
23 prior to August 28th, 2008?

24 A Yes.

25 Q All right. Just focusing on the preceding month of calls

J. Ross - Direct / Loonam

1211

1 of July 28th, 2008.

2 How many contacts, if any, did the tolls reflect for
3 calls between the Adis Medunjanin cell phone number and the
4 Zakir Khan cell phone number?

5 A Four.

6 Q And are those the four contacts we see here between
7 7/28/08 and 7/29/08?

8 A Yes, correct.

9 Q How many contacts occurred between the Najibullah Zazi
10 pre-paid cell phone and the Adis Medunjanin cell phone between
11 July 28th and August 28th of 2008?

12 A I have notes. I mean...

13 Q Oh, did you have an opportunity to review these records
14 and create totals prior to your testimony here today?

15 A Yes.

16 MR. LOONAM: All right. And then you can refer to
17 those notes to refresh your recollection?

18 (Complies.)

19 Q And if you could just indicate, when you're looking at a
20 note, when there's a number at the bottom of it?

21 A I don't think I have a copy with the Exhibit numbers on
22 them.

23 MR. LOONAM: Okay.

24 (Pause in the proceedings.)

25 MR. LOONAM: It's JR-9. We'll refer to that

J. Ross - Direct / Loonam

1212

1 document as 3500-JR-9, okay?

2 Q So, what were the total number of calls between the
3 Najibullah Zazi pre-paid cell and Adis Medunjanin from
4 July 28th to August 28th?

5 A 43.

6 Q And what was the breakdown for those calls?

7 A There were 18 calls originated by the Adis cell phone to
8 the Najibullah Zazi pre-paid cell phone, and there were 25
9 calls that were originated by the Najibullah Zazi cell phone
10 to the Adis cell phone.

11 Q Okay. And what about the total number of contacts during
12 that same period, prior to August 28th between the Zarein
13 Ahmedzay cell phone and the Adis Medunjanin cell phone?

14 A There were 22 contacts in total.

15 Q All right. What was the breakdown for that?

16 A There were 13 that were originated by the Adis cell phone
17 to the Zarein Ahmedzay cell phone and nine that were
18 originated by the. Zarein Ahmedzay cell phone to the Adis
19 cell phone.

20 Q All right. And what was or how many contacts were there
21 between Zarein Ahmedzay and Najibullah Zazi during that same
22 period or at least --

23 MR. LOONAM: Let me strike that.

24 Q How many contacts were there between the Najibullah Zazi
25 Najibullah Zazi pre-paid cell phone and the Adis Medunjanin

J. Ross - Direct / Loonam

1213

1 cell phone during that same period?

2 A I'm sorry, say that again?

3 Q Sorry. How many contacts were there in that same period
4 between the Najibullah Zazi pre-paid cell phone and the
5 Zarein Ahmedzay cell phone?

6 A There was 43.

7 MR. LOONAM: Now, I'm showing you the records for
8 the Najibullah pre-paid cell phone.

9 (The above-referred to Exhibit was published to the
10 jury.)

11 Q Do those records carry forward into 2009?

12 A Yes.

13 Q The records for the pre-paid cell phone do?

14 A Oh, no, not the pre-paid, no.

15 Q When do the records for the pre-paid cell phone end?

16 A I would have to have them in front of me.

17 Q Okay. Does Najibullah Zazi have another number
18 attributed to him; this (303) 500-2877 number?

19 A Yes.

20 Q All right. When is that phone initiated? When does that
21 phone first begin?

22 A March 17th, 2009.

23 MR. LOONAM: Now looking at the calls beginning in
24 March; right? March 17.

25 (The above-referred to Exhibit was published to the

J. Ross - Direct / Loonam

1214

1 jury.)

2 Q How many contacts are there between Najibullah Zazi, the
3 Najibullah Zazi cell phone and the Adis Medunjanin cell phone
4 in April?

5 A I would have to -- April of 2009?

6 Q Correct.

7 A Okay. In April 2009, there were four contacts between
8 the Adis cell phone and the Najibullah Zazi cell phone with
9 the (303) area code.

10 Q Okay. And were there any contacts at all between the
11 Najibullah Zazi cell phone and the Zarein Ahmedzay cell phone
12 during that same time period?

13 A No.

14 THE COURT: Let's break for the day.

15 MR. LOONAM: Yes, Your Honor.

16 THE COURT: Don't discuss the case. Have a nice
17 evening. Safe home.

18 All rise.

19 Good night.

20 THE JURY: Good night.

1 (In open court.)

2 (The following occurs outside the presence of the
3 jury.)

4 THE COURT: Okay. Let's do another audit. Where
5 are we in the case? And where are we going?

6 MR. BITKOWER: At this pace, Your Honor, I expect we
7 will rest Wednesday morning.

8 THE COURT: Okay, what's coming tomorrow?

9 MR. BITKOWER: After Investigator Ross finishes, we
10 have one more search witness who will be brief, I expect. The
11 bomb expert, Mr. Yaeger. The Al Qaeda expert, Mr. Coleman.
12 The post-arrest statement, two surveillance agents from the
13 car crash, and that's it.

14 THE COURT: Okay, time to plan. Can I expect a
15 defense case?

16 MR. GOTTLIEB: Yes, Your Honor.

17 THE COURT: Of what type of length?

18 MR. GOTTLIEB: Should be short. Two witnesses, two
19 members of the family.

20 THE COURT: All right, so we'll sum up this week, it
21 sounds like.

22 Good night.

23 ALL: Good night, Your Honor.

24 (Whereupon, the proceedings were adjourned to
25 April 24th, 2012, at 9:30 a.m.)
